PART I.

GENERAL

Proceedings of the Government of His Highness the Maharaja of Mysore,

READ—

The Annual Report on the working of the Amrut Mahal Department for the year 1901-02, received with Military Assistant's letter No. 812, dated 3rd October 1902.

No. 15635—MIS. 2392, DATED BANGALORE, 4TH MAY 1903.

REVIEW THEREON.—Mr. A. Veerasami Mudaliar, the former Superintendent of Amrut Mahal, having retired from the service, Mr. H. Nanjundaraj Urs was appointed to succeed him and he assumed charge of the office on the 17th January 1902.

2. *Season.*—The season was, on the whole, favourable and the general health and condition of the cattle were good throughout the year.

3. *Stock.*—The stock, which was 8,337 at the beginning of the year under review, increased to 9,711 by births and recovery of cattle lost. Of these 8,520 remained at the end of the year, the number of cattle etc., disposed of by sale amounting to Rs. 1,191.

4. *Sales.*—The amount realized by sales of bullocks and sheep etc., was Rs. 23,820-12-9 as against Rs. 10,126-10-6 of the year previous, showing an increase of Rs. 13,694-2-3. Sales were regularly held once a month at the Santhamaranahalli market except during the hot weather, and they were well attended and fetched fair prices. Government note with satisfaction the success which has attended the sales in the Santhamaranahalli market and desire that the additional cattle fairs which are stated to be required in other parts of the State may be soon established.

5. *Revenue.*—The total receipts of the Department during the year under retrospect was Rs. 31,227-1-11 against Rs. 12,389-7-2 of the preceding year, thus showing an increase of Rs. 18,837-10-9 which was due to the sale of a larger number of cattle and to the more systematic collection of the terige. Out of last year's outstanding balance of Rs. 3,542-7-5, Rs. 1,606-0-6 were collected during the year, leaving still a balance of Rs. 1,946-6-11 which, with the current year's balance of Rs. 1,525-13-11, left a total balance of Rs. 3472-4-10 to be collected.

6. *Expenditure.*—The total expenditure of the Department during the year amounted to Rs. 32,631-9-5 against Rs. 33,072-10-0 of the year previous, showing a decrease of Rs. 441-0-7.

7. *Sheep Farm.*—As the maintenance of a separate Sheep Farm under each of the six darogas has been found unprofitable, arrangements were made to dispose of all the flock, retaining only about 250 sheep of the Australian and Cashmere breeds. A special report as regards the Australian flock is promised.

8. The report does not refer to any musters held by the Officers in charge of the Amrut Mahal Department during the year. Government consider such inspections of great importance, and trust that Col. Jones will arrange to inspect the cattle in two or three convenient centres at least twice a year.

9. In the view of the Government of His Highness the Maharaja, the number of the herd might well be reduced. On the other hand, they regard improvement in quality as of the greatest importance, and desire that mention may be made in

future reports of any operations undertaken with this object, and in the meantime they will be glad to receive any suggestion on the subject that Col. Jones may have to offer.

Secy. to Govt., Gen. & Rev. Depts.

READ—

Letter No. 1656, dated the 2nd April 1903, from the First Assistant to the Honorable the Resident in Mysore.

(1) I am directed to acknowledge the receipt of Mr. Nanjundayya's letter No. 11832—Pol. 280, dated the 14th February 1903, forwarding a report on the condition of the Principal Stations of the Great Trigonometrical Survey situated in the Mysore State during the year 1902.

(2) The report was communicated to the Superintendent, Trigonometrical Survey, Dehra Dun, who has now intimated that it is complete and satisfactory and that the sums estimated for repairs to the stations concerned are sanctioned.

(3) Five blank copies of the form of Annual Return are enclosed, on the first page of which will be found "Notes on the preparation of the Return" and "Measures necessary for the Protection of Stations," which should be strictly adhered to. Attention is also invited to the subjoined abstract of instructions issued by the Superintendent, Trigonometrical Surveys:—

Protective Measures.

"The most important measure is to prevent the mark-stones in the basement of the pillars from being disturbed; when therefore a pillar has entirely fallen down, it will suffice if the debris is heaped over it in the form of a cone and plastered over with mud, which can be effected at a trifling expense. If it should, however, happen that the mark-stone has been removed, every endeavour should be made to preserve the site by raising a mound of earth, or of earth and stones, a few feet high, over the spot whence the mark-stone has been removed. See also page 1 of the Form of Annual Return for further details, if desired."

(4) As the funds available for the protection of stations do not allow of a greater average expenditure than Rs. 4 or Rs. 5 per station annually, the repairs should be restricted to the protective measures detailed above.

ORDER THEREON.—Communicated to the Deputy Commissioners of Districts for information and guidance.

2. A copy of the form of Annual Return is forwarded to the Superintendent, Government Press, with a request that he will have copies thereof printed and kept in stock in the Stationery Depôt for supply to the Deputy Commissioners on application.

3. The attention of the Deputy Commissioners is invited to the first page of the form on which will be found "Notes on the preparation of the Return" and "Measures necessary for the protection of stations" and also to the memorandum of protective measures contained in para 3 of the First Assistant Resident's letter cited above.

No. 15892-931—P. & A. 1454, DATED BANGALORE, 9TH MAY 1903.

ORDER.—A case was recently brought to the notice of His Highness the Maharaja, where a Taluk official was ordered to be retired on the grounds of superannuation and inefficiency, although, if the official had been allowed to remain for five months more, he would have obtained what to him would have been no small increase of pension. The official's immediate superior declared him to be fit for further service, but he was overruled by the Assistant and Deputy Commissioners. The Government of His Highness the Maharaja are of opinion that the disposal of this matter was not quite in accordance with the spirit of instructions conveyed in the ruling under clause C of Rule 307 A of the Mysore Service Regulations; and to those instructions, therefore, the attention of all officers is once more called.

No. 16270-77—MIS. 2504, DATED BANGALORE, 19TH MAY 1903.

ORDER THEREON.—In this case, Government deprecate the tardy manner in which the Deputy Commissioners of Districts have responded to the call made on them for the submission of reports containing information relating to the details of the Coronation celebrations as early after the event as was possible. The earliest reports received were those of Mysore and Kadur, but they contained only an account of the celebrations in the towns of Mysore and Chikmagalur and omitted all reference to the celebrations in the mofussil taluks. The report from the Deputy Commissioner of Kolar was also incomplete in a similar manner. The only complete report received till the end of February last, was that of the Hassan District, while the Deputy Commissioners of Shimoga, Chitaldrug, Bangalore and Tumkur had sent no reports. In the beginning of March last, the attention of the Deputy Commissioners in default was called by telegram to the non-receipt of the reports, and the telegrams had to be followed up by several written reminders. In spite of all these reminders, however, the report from the Deputy Commissioner of Bangalore did not arrive till so late as the 23rd of April last, and the Deputy Commissioner of Mysore has not up to the present furnished the portion of the report due from him relating to the taluks. Para 11 of the Government Order read above, was clear on the subject, and the delay and the omission on the part of the Deputy Commissioners of Mysore and Bangalore can only be characterised as inexcusable. Government regret that they have had to notice these shortcomings, and hope that the present instance is not typical of the manner in which business is transacted in the District Offices.

The following letter No. 149-57, dated Simla, the 11th April 1903, from the Under-Secretary to the Government of India, Home Department, Ecclesiastical, to Local Governments and Administrations.

The Government of India have recently had under consideration the question of the supply of biers at the public expense to Government cemeteries. The Rules published with Home Department Notification No. 178, dated the 21st May 1897, do not provide for the supply of biers to cemeteries, but the Government of India think that their provision may be regarded as a legitimate Government liability and they have decided to include a wheeled bier at a maximum cost of Rs. 350 in the list of furniture to be supplied under Rule XXIV (8) of Part IV of the Rules. The bier is intended ordinarily to be used within the cemetery, but there is no objection to its being utilized for the conveyance of the dead to the cemetery in stations where other suitable means of conveyance are not available.

A copy of the Home Department Notification No. 139, dated the 27th March 1903, which gives effect to this decision, is forwarded.

Report of the Chemical Examiner and Bacteriologist with the Government of Mysore for the year 1902, received from the Senior Surgeon and Sanitary Commissioner with the Government of Mysore, with his letter No. G. 374, dated the 11th April 1903.

No. 16796—MIS. 2576, DATED BANGALORE, 25TH MAY 1903.

ORDER THEREON.—Government have perused the report with interest, and they accordingly direct that it be recorded with satisfaction. The work done during the year under retrospect was good.

To—The Senior Surgeon and Sanitary Commissioner with the Government of Mysore.

No. 16998-17000—Mis. 2622, DATED BANGALORE, 29TH MAY 1903.

ORDER.—In connection with a long series of irregularities and defalcations in the Chikmagalur Hospital, the Civil Surgeon Dr. A. S. Fernandes' case has come under the notice of Government. A Memo (No. 5355—Mis. 820, dated 3rd October 1902) of points to be explained by him was sent to him and his explanation has been received. But in his own interests as well as in those of the public, the Government of His Highness the Maharaja consider that a further enquiry is desirable.

This enquiry will be heard by a Special Commissioner, and an opportunity will be given to Dr. Fernandes of hearing and cross-examining the witnesses cited against him and of adducing any evidence on his behalf. He will be permitted to engage the services of an Advocate, to conduct his defence.

His Highness the Maharaja is pleased to appoint Mr. Justice A. Rangasamiengar, Judge, Chief Court of Mysore, sole Commissioner for the purpose of trying these charges. He will hear all the evidence (oral and documentary) that may be adduced on both sides, or may be called for by himself, and submit for the final orders of Government the record of the case with his findings on all the questions raised, as early as he can, after the conclusion of the trial.

The Commissioner will also favor the Government with his opinion as to the extent, if any, to which Dr. Fernandes is liable, morally, criminally, pecuniarily or otherwise.

The principal charges to be enquired into are mentioned in the appended Memo, and the Commissioner is empowered to add any more, which to him may appear necessary, or alter any of them as the enquiry before him proceeds.

In case legal assistance is deemed necessary to conduct the prosecution, it may be secured and the cost thereof reported for the sanction of Government.

The Senior Surgeon and Sanitary Commissioner with the Government of Mysore and the Deputy Commissioner and District Magistrate, Kadur, will be good enough to afford the Commissioner such assistance as he may ask for.

A special Secretariat officer will be deputed to be under the orders of the Commissioner for performing ministerial and other duties in connection with this case.

H. V. NANJUNDAYYA,
Secy. to Govt., Gen. & Rev. Depts.

To—(1) The Registrar of the Chief Court, for the information of the Chief Judge, who will kindly arrange to depute Mr. Justice Rangasamiengar for this special work, and for communication to Mr. Justice Rangasamiengar. The papers available here are also sent herewith.

(2) The Senior Surgeon and Sanitary Commissioner with the Government of Mysore, with reference to his confidential D. O. letter, dated 7th December 1902, and for communication to Dr. Fernandes.

(3) The Deputy Commissioner and District Magistrate, Kadur District.

Memo of Heads of Charges.

According to the accused writer Krishna Rao, his overdrawal of Rs. 121 and odd in March 1902 was under instructions from Dr. Fernandes, and the amount was paid to the latter when he came to Chikmagalur on the 28th idem. In support of this allegation and of the monetary relations existing between them, the accused has produced slips purporting to be demands for money, and also letters showing more than ordinary familiarity, addressed to him by Dr. Fernandes.

Dr. Fernandes caused inaccurate copies of detailed contingent bills to be prepared for the months of October to December 1901 and January 1902, got his *locum tenens* Mr. T. S. Nanjappa to sign them under false assurances, and then introduced them into the Senior Surgeon's office, knowing them to be false.

He became aware of the serious irregularities connected with the bills, and yet took no action to get the offender punished.

Private purchases and other objectionable items used to be included in the Dispensary contingent bills; diets, etc., were fraudulently enhanced; there were variations between the office and fair copies of detailed contingent bills; alterations were made under quantities and amounts, leading to overdrawals of contingent moneys—all of which, the accused alleges, were done under Dr. Fernandes' instructions.

Certain detailed contingent bills with incorrect totals have been approved of.

The accounts of a local trader named Banniram show purchases of cloth for Dr. Fernandes' use in June and July 1901 for Rs. 57 and odd, while this amount has been included in the office copies of detailed contingent bills of the same months; and two bills in connection with the same transaction have also been found in the Dispensary records.

There has clearly been a misappropriation of money in connection with a clothing indent sanctioned for Rs. 488½ in September 1900, but the actual expenditure on which was only Rs. 102 and odd as shown by Marwari Sheraji's account.

The receipts submitted with detailed contingent bills are not trustworthy.

Several detailed contingent bills are not forthcoming.

Portions of certain bills have been written in pencil.

Entries in the in-patients' and contingent registers have been attested without scrutiny.

Misappropriation of Government money has been going on unchecked for several years, and the total is at least Rs. 4,338.

The accused states that the Hospital contractor used to be induced by Dr. Fernandes to give any vouchers that might be required to support false bills.

Irregularities and laxity of supervision.

POLITICAL (PENSIONS.)

1. Government Proceedings No. 17475-6—P. P. 89, dated the 30th April 1902, calling upon the Comptroller to favour Government with his opinion and to submit rules regarding the mode of the future payment of Pollegar pensions.

2. Letter No. 810, dated the 14th August 1902, from the Comptroller, stating that the Pollegars may be permitted to draw their pensions either in the Treasury of the District in which they reside, or through duly authorized agents at the State Huzur Treasury, under the rules prescribed for payment of pensions through agents.

3. Letter No. 24, dated the 19th March 1903, from the Khazana Bakshi, State Huzur Treasury, submitting petitions from and also a list of the Pollegar pensioners desiring to draw their pensions in the State Huzur Treasury, and of those that desire to draw them at the Treasuries near their homes.

No. 15999-6000—P. P. 108, DATED BANGALORE, 12th MAY 1903.

ORDER THEREON.—From the list sent up by the Khazana Bakshi with his letter read above, and from the petitions submitted by the several Pollegar pensioners, it is clear that the majority of them are not in favour of any alteration of the present mode of disbursement of their pensions. The Government of His Highness the Maharaja accordingly direct that the payment of the said pensions be made, as usual, to the several pensioners at the State Huzur Treasury.

2. The remitting of some of these pensions by postal money-orders, which was sanctioned, pending the final disposal of this question, must now be discontinued.

READ—

Report on Public Instruction in Mysore for the year 1901-02, submitted by the Inspector General of Education in Mysore, with his letter No. 4324—142, dated the 15th November 1902.

2. Report on the working of the Central College, Bangalore, for the same year.

No. 15643-4—ED. 425, DATED BANGALORE, 4TH MAY 1903.

ORDER THEREON.—There was a fall in the numbers of Institutions by 78 and of pupils by 4,790 accounted for by the prevalence of plague in many places; but the percentage of pupils to school-going population remained nearly the same, being 23·07 against 24·09 for boys and 4·13 against 4·22 for girls.

Fluctuations in the number of schools and scholars.

2. The aggregate expenditure of the Education Department was Rs. 11,48,276 as against Rs. 10,98,170 in the previous year and was met from the following sources:—

Expenditure.

	Amount in Rs.	*Percentage.*
State Funds	6,73,693	58·67
Local rates or cesses	2,63,129	22·91
Municipal Funds	33,516	2·92
Fees	91,132	7·94
All other sources	86,806	7·56

Of the total amount, 11·79 per cent was spent on collegiate education, 32·33 on secondary education, and 25·52 on primary education. The amount spent on special instruction, educational buildings, furniture and apparatus, and scholarships and other miscellaneous charges, was 23·38 per cent, while that spent on Direction and Inspection was 6·98 per cent.

3. The results of the University Examinations were fair:—

Results of Examinations.

In the English Language Division of the B. A. Degree Examination, 10 passed from the Central College, Bangalore, and an equal number from the Maharaja's College, Mysore.

In the Second Language Division, 30 passed from the Central College, and 16 from the Maharaja's College.

In the various Science Branches, 22 passed from the Central College, and 8 from the Maharaja's College.

In the F. A. Examination, 33 passed from the Central College, and 16 and 7 from the Maharaja's College, Mysore, and the Shimoga College, respectively.

152 candidates passed the Matriculation Examination from all the High Schools.

4. Certain orders passed for improving the work of inspection by appointing the Inspector General's Assistant as an Inspecting Officer, have not been yet brought into force, and revised proposals are pending the consideration of Government. It is satisfactory to note that the Inspector General was able to do more of this work himself this year, having visited 125 institutions as against 58 in the previous year.

Inspection.

Government concur with the Inspector General that the inspection work performed by the Deputy and Assistant Deputy Inspectors was good, and adequate in the whole.

5. Of the special schools, the three Normal Schools at Mysore, Shimoga and Kolar do not seem to be doing well, and these therefore require the special attention of the Inspecting Officers.

Special Instruction.

Government regret that the Industrial School at Mysore, which is the most important of all such institutions in the State, was not in a satisfactory condition, in spite of repeated warnings, which seem to have had no beneficial effect. The working of

the school is occupying the attention of the Inspector General and the School Committee, whose report and recommendations for improvement are awaited.

Carpentry and cabinet-making, masonry and brick-making, knitting, rope-making, agriculture and gardening, sericulture, weaving, printing and book-binding and sewing are the industries taught in the other industrial schools (6) in the State, almost all of which are private institutions aided by Government.

It is satisfactory to note that an attempt has been made in three of the Government schools to teach technical subjects to pupils with the help of private agency. It is hoped that similar attempts will soon be made in other places where the circumstances are favorable and the requisite agency is readily available.

The gradual expansion of industrial education in the State has engaged the attention of Government for some time past, and as a first step they have recently sanctioned the Inspector General's proposals to establish Industrial Schools at Channapatna, Sagar, Chitaldrug, Chikmagalur and Shimoga. The establishment of Weaving Schools at Hole-Narsipur, Dodballapur, Chiknayakanhalli and Molakalmuru has also been sanctioned as a tentative measure.

A school for the blind and for the deaf and dumb in Mysore City was started by private agency, and a grant has since been sanctioned for it. A class for teaching commercial subjects was instituted in Bangalore by private enterprise, and this also has been aided by a Government grant. Such an institution is a very desirable addition to the educational facilities existing in the State.

Scholarships amounting to Rs. 21,954 were paid during the year to students undergoing technical and professional instruction of different kinds.

Special classes.

6. There were 39 Sanskrit Schools with 1,056 pupils. The number of pupils learning Sanskrit in all public schools was 2,895, while that in indigenous schools was 66. There were 66 schools specially intended for Panchamas, the number of pupils under instructions therein being 1,648 boys and 213 girls. In other public schools, there were 256 boys and 21 girls of the depressed castes. One of these schools reached the Middle School standard.

The 11 Lambani Schools which were opened for the first time during the year had 252 boys and 10 girls.

There were 67 Night Schools with 1,479 pupils. They are intended for weavers, artizans, agriculturists and others above the age of 15.

Mahomedan education.

7. The number of Mahomedan pupils was 14,275, or nearly 13 per cent, out of a total of 111,678 for the whole population. Of these, there were 16 pupils in the Collegiate stage, 107 in the High School stage, 3,144 in the Middle stage and the rest in the Primary stage. As according to the figures supplied by the last Census, the Mahomedans are less than 5 per cent of the population, these figures show that except in the Collegiate and High School Departments, their pupils are above the average in number, the total figures for the whole State in these various stages being 429 (English Colleges), 2,716, 23,111 and 64,832.

Female education.

8. The total number of girls under instruction was 16,478. 42 girls passed the Lower Secondary Examination and 2 the Teachers' Certificate Examination of the Lower Secondary Grade. The expenditure on Female Education amounted to Rs. 1;69,858, of which Rs. 1,24,430 was paid from the State Funds. Of this latter sum, Rs. 41,453 represented the expenditure on the Maharani's College.

9. His Highness the Maharaja's Government have noted with pleasure the several benefactions which were founded during the year. Sowcar Doddanna and others are to be congratulated upon the enlightened forms they have given to their charities.

10. Government are also gratified to find that under the able and energetic guidance of Mr. Bhabha, the Department of Education has been progressing steadily in spite of temporary adverse circumstances.

1. Letter No. 1176-77—46, dated the 1st August 1901, from the Inspector General of Education in Mysore.

I have the honor to inform you that Mr. V. Subramanya Iyer, Head Master, High School, Chikmagalur, has applied for twelve days' privilege leave on half pay with effect from 30th July 1901, so as to enable him to perform the funeral ceremonies of his father who is reported to have died on the 25th idem. I request that the leave applied for may be granted under Section 203 (*b*) of the Mysore Service Regulations, T. V. Krishna Rao, the Senior Assistant Master, being placed in charge of the duties of Head Master during the period.

2. Docket No. 2933—103, dated the 21st September 1901, from the same officer.

With reference to the Secretary's docket No. 2873—Ed. 78, dated 15th August 1901, regarding the grant of privilege leave for twelve days to Mr. V. Subramanya Iyer, Head Master, High School, Chikmagalur, has the honor to inform that Mr. V. Subramanya Iyer was granted privilege leave for twenty days from the 8th February 1901 by Order No. 12372-73—Ed. 438, dated 18th March 1901. To debar him from taking privilege leave on half pay in case of urgent necessity within six months from the expiration of his former privilege leave under Section 188 of the Civil Service Regulations, would certainly be a hardship peculiar to Educational officers. A Revenue officer, for instance, who wants leave within six months would take it under Section 173. Mr. V. Subramanya Iyer rightly contends that Section 188 should apply only to those officers who get privilege leave on full pay, but not to Educational officers to whom no privilege leave "is due" but who can only take privilege leave on half pay under Section 203, in case of urgent necessity. Mr. Subramanya Iyer's case was one of urgent necessity as his father died early in August. Under these circumstances the Inspector General thinks that Section 188 does not debar Mr. V. Subramanya Iyer from asking for privilege leave on half pay within six months from the last privilege leave enjoyed by him, if he should show urgent necessity for the leave. The Inspector General thinks Mr. V. Subramanya Iyer is entitled to the privilege leave on half pay recommended in his letter No. 1176-77—46, dated 1st August 1901.

3. Letter No. 5727, dated the 18th April 1903, from the Comptroller to the Government of Mysore.

With reference to your docket No. 6824—Ed. 153, dated 28th October 1901, enquiring how the twelve days' absence from 30th July 1901, of Mr. V. Subramanya Iyer, Head Master, High School, Chikmagalur, should be treated, I have the honor to state that although privilege leave is not generally admissible to officers enjoying regular vacations, in case of urgent necessity, such leave can be granted only under the *ordinary rules*, subject to certain conditions (*vide* Article 203 (*b*) of the Mysore Service Regulations). Article 188 does therefore apply to the present case. Mr. Subramanya Iyer first obtained privilege leave for twenty days, *i. e.*, from 8th to 28th February 1901, and before he served for six months from 1st March 1901, he was granted twelve days' leave from 30th July 1901. The second period of leave should be treated as leave without allowances.

The case is analogous to that of Mr. Krishnasawmi Iyer, High School Assistant of the Central College, Bangalore, and the second period of leave granted to him was treated as leave without allowances, *vide* Government Order No. 3816-18—Ed. 140, dated 20th September 1899.

The rules in British India with regard to this class of officers are dealt with in the same way as is done in this Province.

No. 16632-4—Ed. 462, dated Bangalore, 23rd May 1903.

ORDER THEREON.—Government agree with the Comptroller in thinking that Article 188 of the Mysore Service Regulations applies to all officers alike, and accordingly direct that the twelve days' leave of absence of Mr. V. Subramanya Iyer, from the 30th July 1901, be treated as leave without allowances.

2. The arrangement proposed in the first of the letters read above is approved.

3. The Comptroller should not have taken eighteen months to answer a simple enquiry.

ORDER THEREON.—The above report was submitted by the Inspector General about two and a half months after the prescribed date, there having been some unavoidable delay in collecting the information required for the preparation of the newly prescribed statistical returns.

2. The total number of cognizable cases reported to the Police during the year under review was 6,463, which was somewhat less than the figure for the previous year, but exceeded by 621 the average number of cases reported during the preceding nine years. Among heinous offences, an increase is observed under murder, dacoity, robbery, house-breaking and theft, the true cases reported under each head being 72, 104 (of which 5 were torch-light and 3 mail dacoities), 98, 1,430 and 2,269 respectively, as against 62, 59, 49, 849 and 2,097 in the previous year. Convictions were obtained in 21, 31, 15, 232 and 1,043 of these cases respectively,—results which (owing partly to the large number of cases pending) do not in some instances compare favourably, with those of the previous years. Judging, however, by the figures subjoined, showing the convictions in cases investigated and in those sent up for trial, and the recoveries of property lost, Government consider that there is on the whole a marked improvement in the work of investigation and detection :—

Para 5 and Appendix.

Para 43.

	1898-99	1899-00	1900-01	1901-02
I. Percentage of Police cases ending in conviction to cases investigated.	38·1	41·4	45	48·02
II. Percentage of persons convicted in Police cases to persons sent up for trial.	56·4	59·3	59·07	62·7
III. Percentage of property recovered to property lost.	42·7	48·6	41·2	45·6

3. Government have always attached considerable importance to preventive action in regard to offences against property, and it is therefore gratifying to note that 105 cases involving 174 persons were placed before Magistrates under the preventive sections of the Criminal Procedure Code, and orders for binding the accused for good behaviour

Para 26.

obtained in 79 cases involving 118 persons, whereas in the previous year only 31 cases involving 37 persons were so dealt with and orders obtained in 24 cases involving 27 persons. The work done in this direction is, however, not satisfactory as regards the Mysore and Kadur Districts and the Cities of Bangalore and Mysore.

4. It is clear from paras 27 to 29 of the report that District Police Officers generally are not sufficiently alive to the importance of other forms of preventive action, such as, the registration of the houses of receivers of stolen property and the careful maintenance of registers of itinerant criminal gangs and of known depredators. Government would be glad to see an improvement in this respect.

Paras 27, 28 and 29.

5. The part taken by Amildars and Deputy Amildars in the investigation of cases is disappointing. A slightly increased proportion of cases was, however, taken up by Jamedars and Head Constables. As the bulk of the work of investigation has necessarily to be entrusted to daffadars, the Government think that greater attention should be paid to the selection and training of this class of officers.

Para 36.

6. The actual strength of the force during the year under review was 846 officers and 4,685 constables, of whom 816 officers and 2,317 men are reported to be literate.

Paras 49 and 60.

7. The total cost of the Department was Rs. 9,62,958 or Rs. 3,032 less than in the previous year.

Para 48.

8. The percentage of departmental punishments to total force was 25·4, as against 20·3 in the last year, and the amount of fine inflicted Rs. 526 or Rs. 8 more than the year previous. The system of awarding black marks, which, according to the number of marks awarded, should entail stoppage of leave, reduction or dismissal, should be resorted to in preference to fines, which, the Government agree with Mr. Madiah in thinking, should be discouraged as far as possible.

Paras 53 and 54.

9. The inspection work done by the District Police Officers during the year was, on the whole, good; and among these the Superintendents of Bangalore and Tumkur, Messrs. Haudin and L. Krishna Rao, and the Assistant Superintendents of Kolar and Mysore, Messrs. Y. V. Krishnamurti and Mahomed Jaffer, are entitled to special mention, having completed the inspection of all the sub-stations and the ukkads in their respective districts. The work of the other officers, including Deputy Commissioners, does not call for remark. The Deputy Commissioner of Hassan, however, who inspected only a single station during the year, might have inspected a larger number. Government note with approval the good work done by Mr. Y. V. Krishnamurti in connection with the Chikballapur murder case and the case of torch light dacoity in the Bagepalli Taluk. Similarly they notice with approval the work of Mr. N. Subba Rao, Assistant Superintendent of the Kadur District, and of Inspector Sri Narasimha Sastri in connection with the series of dacoities committed in the Shimoga and Kadur Districts by foreign gangs. The prompt action taken by Mr. Sparkes in organizing these measures of prevention is commendable.

Para 64.

10. Government observe, in conclusion, that Mr. Madiah's remarks on most points with which he deals are pertinent and discriminating, and should receive the careful attention of District Officers. They contain, at the same time, a few suggestions on which it is not practicable to pass orders in the course of a review, and which should therefore be made the subject of separate references to Government.

LOCAL FUNDS

Proceedings of the Government of His Highness the Maharaja of Mysore.

READ—

Letter No. 863, dated 4th March 1903, from the President, District Fund Board, Mysore, submitting the District Fund budget estimates of the Mysore Local Fund Circle for 1903-04.

No. 15500-512—L. F. 5-1903, DATED BANGALORE, 1ST MAY 1903.

ORDER THEREON.—The income for 1903-04 is estimated at Rs. 80,100 against Rs. 75,299, the actuals of 1901-02 and Rs. 89,905, the sanctioned estimate for 1902-03.

2. *I. 76 per cent of Local Cess.*—The increase under this head is based upon the Jamabandi accounts for 1901-02. This will stand.

3. *III. Fines for Cattle Trespass.*—The estimate under "Fines for cattle trespass" is stated to have been based on the actuals of the past three years. But the average collections of the three years come to Rs. 1,790, to which the estimate will be reduced.

Years.	Collection. Rs
1899-00	2,206
1900-01	1,603
1901-02	1,562
Total ...	5,371
Average annual income	1,790
Estimate proposed	2,100
Estimate sanctioned	1,790

4. *Opening Balance.*—The estimate will be slightly reduced to Rs. 27,243 with reference to the final accounts of the Comptroller and the sanctioned estimates for 1902-03.

	Rs.
1. Actual balance on 1st July 1902	54,132
2. Receipts	80,905
	1,35,337
3. Expenditure including incomplete works ...	83,427 + 24,717
Total ...	1,08,144
4. Closing balance	27,243

EXPENDITURE.

5. *A. Public Works to be executed by Public Works Department.*—Under "I. Original Works" a provision of Rs.3,500 is made for the marginally noted two fresh works costing each Rs. 6,000. The number and date of Government Order sanctioning these works has not been quoted as required by para 2 of Government Proceedings No. 4-14-L. F. 210-92, dated 1st July 1901. The omission should be supplied. The provision made under "Reserve for minor works" amounting to Rs. 5,355 appears excessive and will be reduced to Rs. 3,800, the amount sanctioned for 1902-03, a corresponding reduction being made under "III. Establishments" and "Tools."

	Rs.
1. Kabbali-Koligal road	2,000
2. Bridging Narsipur-Channarayapatna road ...	1,500
Total	3,500

	Proposed.	Sanctioned. Rs.
1. Original reserve for minor works	1,500	800
2. Repairs ditto	3,855	3,000
Total ...	5,355	3,800

6. *B. Public Works.*—The works for which provision is made under this head are shown in the margin. It is observed that the details for original works and repairs have not been entered in the separate forms prescribed therefor in Government Proceedings No. 7259-66—L. 576, dated 25th September 1891. Moreover detailed lists of wells to be sunk have not been submitted and the remark is appended in the expalnatory note received with the budget that several proposals were received from the Amildars but owing to the paucity of funds lump sum provision of Rs. 1,000 for wells in each taluk was entered. If the Board cannot spare sufficient funds for the execution of all works proposed by the Amildars, the members may select at the budget meeting such of them in the order of their urgency and importance as could be executed

	Rs.
1. Sinking wells in villages	8,000
2. Cart-tracks	1,100
3. Musafirkhanas	6,000
4. Cattle-pounds	500
5. Improving the place where Sante is held at Tirukkambi	1,000
6. Reserve for other works	2,500
Total ...	19,100

during the year to the extent the funds admit and provide for the same, instead of making a lump sum provision of Rs. 1,000 for each taluk. The President is now requested to submit lists of wells proposed to be executed and the estimated cost of each. Pending information the lump sum provision will be allowed to stand.

CIVIL CHARGES.

7. *I. Office Establishments.*—The increase provided under this head is on account of the annual increments due to certain officials in the District office establishments. The correct total of the details as given in the enclosure D is Rs. 1,670 and not Rs. 1,672. The former figure will be retained.

8. *II. Medical Scholarships.*—The provision of Rs. 624 made under this head includes Rs. 180 on account of the salary of the Native Pandit proposed to be employed at Hura, Nanjangud Taluk. Pending the issue of final orders on the subject, the provision will be retained, but will be transferred to the proper head "III. Hospitals and Dispensaries." The provision under this head "II. Scholarships" will thus be reduced to Rs. 444 which will be retained, pending the receipt from the Senior Surgeon of a statement showing the charges to be provided for on account of Medical Scholarships etc.

9. *III. Hospitals and Dispensaries.*—The item of Rs. 470 sanctioned for 1902-03 on account of bedding and clothing has been omitted in the present budget, a new item of Rs. 10 being entered on account of increments due to the compounders attached to the Local Fund Dispensaries. The latter sum which is allowable under Government Proceedings No. 13250-1—Mis. 1962, dated 8th June 1896, will be retained, but the dispensaries to which the compounders eligible for increments are attached should be specified, as a third of the increments of compounders, whose pay is shared between Municipal and District Funds, has to be debited to Municipal Funds. Pending information, the provision will stand at Rs. 7,705 with reference to the remarks contained in para 8 *supra*.

10. *Sweepers for III Class Travellers' Bungalows and Musafirkhanas.*—The present budget provides only Rs. 180 for the purchase of vessels for musafirkhanas and travellers' bungalows against Rs. 500 sanctioned for 1902-03. This accounts for the decrease under this head, which is passed.

11. The correct total of charges under A, B and C as proposed by the President is Rs. 85,650 and not Rs. 86,730 as erroneously entered in the consolidated statement. The correct figure will be adopted in the budget.

12. The other items call for no remarks.

13. The budget estimates of receipts and charges for 1903-04 are as shown below, the usual details being appended :—

		Rs.
1.	Opening balance	27,243
2.	Estimated receipts	79,790

READ—

Letter No. 894, dated 21st February 1903, from the President, District Fund Board, Bangalore, re-submitting the District Fund Budget estimates of the Bangalore Local Fund Circle for 1903-04.

No. 15487-91—L. F. 1-1903, DATED BANGALORE, 1ST MAY 1903.

ORDER THEREON.—The income of the Board for 1903-04 is estimated at Rs. 73,960 against Rs. 77,205, the actuals of 1901-02 and Rs. 70,280, the sanctioned estimate for 1902-03.

2. *76 per cent of Local Cess.*—The increased estimate under this head is based on the jamabandi accounts for 1901-02 and is approved.

3. *Opening Balance.*—The actual balance on 1st July 1902 according to the Comptroller's accounts for 1901-02, *viz.*, Rs. 41,085, is incorrectly entered as the estimated opening balance on 1st July 1903. This latter could only be arrived at, by adding to the actual balance on 1st July 1902, the sanctioned estimate of income for 1902-03 and deducting therefrom the sanctioned expenditure for 1902-03. The estimate under this head will therefore be reduced to Rs. 38,670 as shown in the margin.

	Rs.
Actual balance on 1st July 1902	41,085
Add—	
Estimated receipts for 1902-03	70,280
Total ...	1,11,365
Deduct—	
Estimated expenditure for 1902-03	72,695
Estimated opening balance on 1st July 1903 ...	38,670

EXPENDITURE.

4. *A. Public Works.*—The provision under "II Repairs" includes the marginally noted increases.

	Rs.
Bangalore-Nundydroog road, 11 miles at Rs. 50 a mile in lieu of 8 miles at Rs. 50 a mile as sanctioned for 1902-03	3 × 50 150
Loop line from Dodballapur road, ¼ to Dodballapur Railway Station ...	2 × 50 =100
Yelekyathanahalli-Nidavanda Railway feeder road	4 × 50=200

Item 1.—A portion of the Nandi-Heggadahalli road (3 miles) situated in the Bangalore District, which has hitherto been maintained by the Kolar District Fund Board, is stated to have been now included in the present budget. It is not understood why the Kolar District Fund Board has till now maintained this portion of the road lying in the Bangalore District and what the necessity there, at present, is for the transfer of the road to the Bangalore District. The provision made in the present budget will, however, be retained pending further information on the subject.

Item 2.—An estimate of Rs. 100 for the maintenance of this road is stated to have been sanctioned on the 28th August 1902, by the Executive Engineer from the Reserve grant at his disposal. When, at what cost and from what funds the road was originally constructed and how it has hitherto been maintained should be stated. Pending information, this provision will also be retained.

Item 3.—As Yelekyathanahalli-Nidavanda Railway feeder road was constructed from District Funds, the provision made for its maintenance is allowed.

5. The provisions under "I Original Works" and "II Repairs" respectively include lump sum provisions of Rs. 2,500 and Rs. 3,130 as reserve for incomplete and minor works. These will be allowed to stand, subject to details being furnished and sanction of Government obtained thereto.

6. *B. Public Works.*—Lump sum provisions amounting to Rs. 23,000 are made under this head for original works and repairs as well as for incomplete works, and the President explains the absence of details, by saying that it is not usual in his district to have a forecast of original works but that works are sanctioned according to the wants of the district at the time. This explanation cannot be accepted. The Amildars of Taluks should be required to submit at least a month before the date of budget meeting, lists of works proposed to be undertaken in the ensuing year, and such of them for which funds could be allotted should alone be included in the budget. This procedure should invariably be adopted hereafter. The lump sum provisions made in the present budget will, however, be retained but no expenditure should be incurred therefrom till lists are submitted and the sanction of Government obtained. As the provision of Rs. 2,000 made under "Establishments" does not correctly represent 10 per cent of the estimate for works, it will be raised to Rs. 2,300.

CIVIL CHARGES.

7. *II. Medical Scholarships.*—The provision made under this head will be retained pending the receipt of a statement from the Senior Surgeon showing the cost to be provided for on account of medical scholarships, books, school fees, etc.

8. *III. Hospitals and Dispensaries.*—The decrease under this head is due to the omission in the present budget of the provision of Rs. 543 sanctioned in the budget for 1902-03 on account of bedding and clothing, etc., to dispensaries. The provision is passed.

9. *IV. Midwives.*—The decrease of Rs. 30 under this head is due to the reduction of pay of one of the two midwives drawing Rs. 20 per mensem to Rs. 15 under Government Proceedings No. 2273-84—L. F. 55-93, dated 3rd August 1902, the midwife of Kankanhalli alone being allowed to draw Rs. 20 per mensem. As under the above Proceedings all midwives are entitled to the uniform rate of salary of Rs. 15 and the midwife at Kankanhalli to an allowance of Rs. 5, the salary of the latter will be shown as Rs. 15 + 5 in the present budget.

10. *V. Sweepers of III Class Travellers' Bungalows and Musafirkhanas.*—The omission of the provision in the present budget of the sum of Rs. 25 sanctioned in 1902-03 for the purchase of vessels of 3rd class travellers' bungalows and musafirkhanas accounts for the decrease in the estimate under this head and this is allowed.

11. *VI. Conservancy and Sanitary Charges.*—The increase under this head is due to the provision made for the increase of one rupee per mensem sanctioned to the sweeper at Devarahosahalli in Proceedings No. 11370-2—L. F. 1-02, dated 5th February 1903.

12. The other items call for no remarks and are passed.

13. The budget estimates of the Bangalore Local Fund Circle for 1903-04 are sanctioned as per particulars given in the statements appended, an abstract of which is given below :—

					Rs.
Estimated opening balance	..	..	..	..	38,670

* Includes 3 miles of Nandi-Heggadahalli road.

A. This road branches off at $\frac{1}{4}$T of Devanhalli-Dodballapur Railway and joins the Bangalore-Hindupur road at $\frac{1}{8}$ mile opposite the Railway Station. An estimate for Rs. 100 was sanctioned for its maintenance during 1902-03 from the Reserve grant at the disposal of the Executive Engineer, *vide* No. 4135—1494 of 22nd August 1902 to the President and President's No. 98 of 28th August 1902.

B. A new road opened out.

C. A portion of Nandi-Heggadhalli road which is situated within the Bangalore District boundary was being maintained by the Kolar District Fund Circle. The Executive Engineer of Kolar Division has requested to provide for this portion in District Fund budget of this District. Accordingly provision has been made for it. The President of the Kolar District Fund Board was addressed by the Executive Engineer of Kolar Division to move the President of Bangalore District Fund Board on the subject.

READ—

Letter No. 473, dated 10th February 1903, from the President of the District Fund Board, Kadur, submitting the Budget Estimates of receipts and expenditure of the Kadur Local Fund Circle for the year 1903-04, together with an extract from the proceedings of the Board, dated 6th February 1903, approving of the same.

No. 15526-38—L. F. 9-1903, DATED BANGALORE, 1ST MAY 1903.

ORDER THEREON.—The District Fund Board of the Kadur Local Fund Circle estimate their income under all heads for 1903-04 at Rs. 55,581 against Rs. 50,184, the actuals of 1901-02, and Rs. 52,877, the sanctioned estimate for 1902-03.

2. *I. 76 per cent of Local Cess.*—The increase under this head is due to the expected collection of the arrears of previous years. The estimate is allowed to stand.

3. *II. Sale of Stray Cattle, and III Fines for Cattle trespass.*—The estimates under these heads do not appear to have been correctly framed. They will be modified with reference to the average collections of the two years 1900-01 and 1901-02, as shown in the margin.

No.	Items.	Actual collection.			Estimate.	
		1900-01.	1901-02.	Average of two years.	Proposed.	Sanctioned.
		Rs.	Rs.	Rs.	Rs.	Rs.
II	Sale of stray cattle ...	131	534	332	150	330
III	Fines for cattle trespass ...	3,411	2,530	2,970	3,500	3,900

EXPENDITURE.

4. *A. Public Works.*—The total provision under "II Repairs" as entered in enclosure C for the year 1902-03, is Rs. 18,680, whereas in the consolidated budget statement, the same is given as Rs.20,438, the correct amount sanctioned for the year being Rs. 21,830. The present budget provides for the maintenance of four miles of the newly opened Petta road at Rs. 70 per mile and two miles of the Sringeri-Kigga road said to have been hitherto omitted in the list, and for increased rates of mileage allotments for the marginally noted roads as specified against each. Pending the issue of final orders of Government on the separate reference (letter No. 456, dated 11th February 1903) in regard to the necessity for each of the increases proposed, the provisions made will be retained, but should not be utilized. It is observed that the length of 17 miles entered against Magadi-Javagal road is an error for 14 miles. The necessary correction will be made in the budget. The provision for repairs includes a reserve grant of Rs. 1,000 said to be needed for repairs of travellers' bungalows.

5. *B. Public Works.*—The provisions under original works as well as repairs include lump sum entries of Rs. 2,000 and Rs. 1,900 for sinking wells and repairing inspection lodges. The places in which these works are to be executed and the amount required for each should have been specified. This information should now be furnished. Pending information the estimate will stand.

C. CIVIL CHARGES.

6. *II. Medical Scholarships.*—The provision under this head will be retained subject to correction, if necessary, on the receipt from the Senior Surgeon of a statement showing the number of students for whom scholarships, books, etc., have to be provided.

7. *III. Hospitals and Dispensaries.*—The omission in the present budget of the provisions for special allowances to the Medical subordinates for paying periodical visits to the marginally noted places for rendering medical aid in conformity with Proceedings No. 17586-95—L. F. 142-92, dated 2nd May 1902, and the reduction proposed under "Bedding and Clothing" as well as increases of Re. 1 and Rs. 4 respectively, proposed for the dispensary cooly at Tarikere and the compounder at Sakrepatna, account for the net decrease under this head. The increase of pay to the surgery cooly was sanctioned in Proceedings No. 12245-7—L. F. 221-93, dated 23rd February 1903, and that to the compounder of Sakrepatna is probably on account of the annual increment due to him. If so, it should be explained why an increase of Rs. 4 is considered necessary, the first increment allowable after a service of three years being only Rs. 2 under Proceedings No. 13250-1—Mis. 1961, dated 8th June 1896. Pending information the provision will not be disturbed.

8. *V. Sweepers for 3rd Class Travellers' Bungalows and Musafirkhanas.*—The sum of Rs. 740 provided against Rs. 195 sanctioned in 1902-03, for the purchase of furniture and vessels to bungalows and musafirkhanas, chiefly accounts for the increase under this head, which is sanctioned. But the provision of Rs. 30 made on account of pension to the sweeper of the Ajjampur bungalow will be transferred to "XI Miscellaneous," the total provision being reduced to Rs. 3,174.

9. *VI. Conservancy and Sanitary Charges.*—The provision of Rs. 500 newly made for village sanitation, lighting, etc., accounts for the increase under this head, which is sanctioned.

10. The other items call for no remarks and are passed.

11. The budget estimates of the District Funds of the Kadur Circle sanctioned for 1903-04 will stand as shown below, the particulars being given in the appended statements:—

			Rs.
Opening balance	...	...	10,730
Receipts	...	...	55,261
	Total	...	65,991
Deduct expenditure—			
A. Public Works	...	29,216	
B. Do	...	5,525	56,216
C. Civil charges	...	21,475	
	Closing Balance	...	9,775

The estimated closing balance being far below 25% of the estimated receipts by Rs. 4,040, every endeavour should be made to maintain the authorized minimum balance by curtailing expenditure under the sanctioned heads, unless the actual opening balance should turn out to be sufficient for making up the deficiency.

READ—

The budget estimates of receipts and expenditure of the District Funds of the French Rocks Local Fund Circle for 1903-04, submitted with letter No. 739, dated 20th February 1903, from the Deputy Commissioner, Mysore District.

2. Also letter No. 740, dated 20th February 1903, from the same officer.

No. 15513-18—L. F. 6-1903, DATED BANGALORE, 1ST MAY 1903.

ORDER THEREON.—The Board estimate the income for 1903-04 under all heads at Rs. 42,661 against Rs. 42,487, the actuals of 1901-02 and Rs. 42,681, the sanctioned estimate for 1902-03.

2. *I. Seventy-six per cent of Local Cess.*—The estimate which is based upon the jamabandi account for 1901-02 is passed.

3. *III. Fines for Cattle trespass.*—An estimate of Rs. 90 is entered under this head as the income expected from fees recovered from the owners of impounded cattle. The proposed estimate is not justified by the actuals of 1900-01 and 1901-02 and will be reduced to Rs. 40 which is about the average collections of the past two years.

EXPENDITURE.

4. *B. Public Works.*—As the present budget does not include the sum of Rs. 200 required for the maintenance of two miles of the branch road connecting Belagola with Balamuri as resolved by the District Fund Board at their meeting held on 5th February 1903, and recommended by the Deputy Commissioner in his No. 740, dated 20th February 1903, a sum of Rs. 200 will be entered on this account, the provision for "III. Establishment" being raised by Rs. 20.

CIVIL CHARGES.

5. *II. Medical Scholarships.*—The provision under this head will be retained pending the receipt from the Senior Surgeon of a statement showing the number of collegiate and pre-collegiate students and cost of books etc., required for them during the year 1903-04.

6. *IV. Midwives.*—The provision under this head does not include the moiety of the salary of the midwife proposed in President's No. 738, dated 20th February 1903, to be entertained for French Rocks. A sum of Rs. 90 will therefore be entered on this account and the total provision raised from Rs. 655 to 745. It is noted that in the detailed Statement D, the total cost of midwives sanctioned for 1902-03 is given as Rs. 655, whereas in the consolidated budget statement the same is given as Rs. 693. Such discrepancies should be avoided in future.

7. *X. Miscellaneous.*—With reference to the reduction made under "Receipts" in para 3 *supra*, the provision for feeding charges of impounded cattle will be reduced from Rs. 90 to 40.

8. Thus the budget sanctioned by Government will stand as follows :—

		Rs.
1. Opening balance	...	8,890
2. Estimated receipts for 1903-04 ...	...	42,611
Total	...	51,501
3. Estimated expenditure for 1903-04—

READ—

Letter No. 632-90, dated 17th January 1903, from the President, District Fund Board, Shimoga District, submitting the District Fund budget estimates of the Shimoga Local Fund Circle for 1903-04.

No. 15827-39—L. F. 8-03, DATED BANGALORE, 8TH MAY 1903.

ORDER THEREON.—The estimated receipts for 1903-04 are Rs. 87,262 against Rs. 81,159, the actuals of 1901-02 and Rs. 84,836, the sanctioned estimates for 1902-03.

2. *I. 76 per cent of Local Cess.*—The estimate under this head is based on the Jamabandi figures of 1901-02 and also the estimated arrears at the beginning of the year. This accounts for the increase as compared with the actuals of 1901-02 and the sanctioned estimate for 1902-03. The estimate is passed.

3. *III. Fines for Cattle Trespass.*—Under this main head, a sum of Rs. 220 is put down as fines to be recovered from the owners of impounded cattle as a separate item and in addition to "Fines for cattle trespass" from which Rs. 1,650 are expected to be realized. It should be explained what the two distinct items are and whether the former sum (Rs. 220) represents the fees realized for fodder charges from owners of cattle before they are sold under the provisions of the Cattle Trespass Regulation, and if so, why Rs. 300 or Rs. 80 more are shown on the side of expenditure on account of feeding impounded cattle. If, on the other hand, it (Rs. 220) represents the fines paid by owners of cattle before they are sold and the latter (Rs. 1,650) shows the fines deducted from the sale proceeds of the unclaimed cattle, it should be explained why these should be shown as two distinct items in the consolidated budget statements. Pending information, however, the estimates will be allowed to stand.

4. *Opening Balance.*—In lieu of the estimate of Rs. 18,459 proposed by the President, Rs. 18,147 will be adopted with reference to the actual balance of Rs. 36,696 on 1st July 1902 and the sanctioned estimates of receipts and expenditure for 1902-03.

EXPENDITURE.

5. *A. Public Works.*—The increase under "II Repairs" is due to the provision made in the present budget for the increased rate of mileage allotment from Rs. 50 to Rs. 70 sanctioned to the Anantapur-Tirthahalli road in Proceedings No. 5394-6—L. F. 8-02, dated 4th October 1902, and for a larger lump sum entry of Rs. 2,545 against Rs. 2,505 sanctioned for 1902-03 under "Reserve" for special repairs of roads and repairs of 3rd class travellers' bungalows. The provision is passed.

5. *B. Public Works.*—In the consolidated statement, a sum of Rs. 4,185 is shown to have been sanctioned under "II Repairs" for 1902-03, whereas in the statement of details (Enclosure C) the same is given as Rs. 5,185. Such discrepancies should be avoided in future. *Rs. 4,185, which is according to the supplemental budget for 1902-03, sanctioned in Proceedings No. 12186-9—L. F. 8-02, dated 21st February 1903, will be adopted in the former statement.

*Excluding Rs. 40 stated to be unnecessary in his letter No. 607—85, dated 5th January 1903.

C. CIVIL CHARGES.

6. *II. Medical Scholarships.*—The provision made under this head will be retained subject to eventual correction if necessary on the receipt from the Senior Surgeon, of a statement showing the number of students and the amount of scholarships etc., required.

7. *III. Hospitals and Dispensaries.*—The provision under this head includes Rs. 550 on account of furniture to the Local Fund Dispensaries as well as bedding and clothing to in-patients. The amount required for each of the above two items

should be specified, as the latter is debitable entirely to District Funds, while in the case of the former, a portion is debitable to Municipal Funds. Pending information the provision will be retained.

8. *IV. Midwives.*—To meet the salary of the midwife at Karur sanctioned temporarily for one year in Government Proceedings No. 11480—L. F. 255-92, dated the 7th February 1903, the estimate of Rs. 1,388 proposed under this head will be raised by Rs. 240 or to Rs. 1,628, but the pay of all midwives will be shown as Rs. 15 the excess now drawn by some being shown as allowances under Proceedings No. 2273-84—L. F. 55-93, dated 3rd August 1902.

10. The other items call for no remarks and are passed.

The budget estimates of receipts and expenditure of the Shimoga Local Fund Circle for 1903-04 are as detailed in the accompanying appendices, an abstract of which is given below :—

			Rs.

A. Public Works	...	58,056	
B. Ditto	...	10,883	87,056
C. Civil charges	...	18,117	
		Closing Balance	18,353

The closing balance is less than the prescribed minimum by Rs. 3,463. The usual balance should be maintained by curtailing the expenditure unless the actual opening balance on 1st July 1903 exceeds the estimate by the deficit.

(1) Letter No. 685, dated the 29th March 1902, from the President of the District Fund Board, Kadur Local Fund Circle, soliciting orders in the matter of debiting the pay of watchmen for District Fund inspection lodges to "A. Public Works" instead of to "C Civil charges", as the Examiner of Public Works Accounts of Mysore has taken objection to the charge in question being provided under the latter head in the budget, on the ground that the rents of inspection lodges are recovered in the Public Works Department.

(2) Letter No. 3363, dated the 12th June 1902, from the Chief Engineer of Mysore, stating in reply to this office docket No. 18771—L. F. 69-97, dated the 2nd idem, that there is no objection to the collection of rents or fees for inspection lodges whose care-takers are maintained from District Funds, being entrusted to the Revenue Department, as in the case of travellers' bungalows and musafirkhanas, and that, if this arrangement be adopted, the appointment, payment and dismissal of care-takers of these buildings will, in future, vest in the Revenue Department, which will also have to see to the supply and proper custody of furniture in them.

(3) Government Proceedings No. 9275-83—L. F. 69-97, dated the 3rd December 1902, calling for the opinions of the Presidents of the District Fund Boards as to whether there is any objection to the course recommended by the Chief Engineer in the letter read above being adopted.

No. 16042-53—L. F. 69-97, DATED BANGALORE, 13TH MAY 1903.

ORDER THEREON.—From the replies read above, it is seen that the Presidents of the Shimoga, Kadur, Mysore, Tumkur and Kolar Local Fund Circles, concur in the views expressed by the Chief Engineer, but the last officer (Mr. Carr) states that it is an unnecessary anomaly to have buildings serving both as 3rd class travellers' bungalows and inspection lodges under the charge of District Fund Boards, and that, therefore, all such lodges taken over by these Boards should be converted into 3rd class travellers' bungalows. The President (Mr. Sparkes) of the Bangalore Local Fund Circle reports that the District Fund Board agree to the Chief Engineer's proposal being adopted, but he differs from their opinion as funds are at present insufficient to keep up the present bungalows properly. The District Fund Board of the Hassan Circle and the President are of opinion that the change proposed by the Chief Engineer imposes a further strain on the District Funds, and that, therefore, the District Fund inspection lodges may be allowed to continue to be in charge of the Public Works Department. In the Chitaldrug Local Fund Circle the only such lodge situated at Chitaldrug has been proposed by the Board to be transferred to the Public Works Department.

2. As the majority are in favor of the Chief Engineer's proposal, Government are pleased to direct that those inspection lodges which are not exclusively used by the Inspecting Officers, and which may be found absolutely necessary for the travelling public, be taken over for maintenance from District Funds with effect from 1st July 1903, converted into 3rd class travellers' bungalows and transferred to the Revenue Department, who will, as in the case of the existing bungalows of the same class, be in charge of their establishments, collect fees from the travellers halting in them, and see to the supply and proper custody of furniture in them.

3. The Presidents of District Fund Boards are requested to submit, with the approval of the Boards concerned, a list of lodges which may be necessary for the use of the travelling public, so as to reach this office before the end of May 1903, in view to their conversion into 3rd class travellers' bungalows being notified in the Gazette.

4. Supplemental District Fund budgets for the ensuing year showing the fees estimated to be collected from these lodges and the amounts required for the pay of their servants, cost of furniture, etc., should be submitted early.

Letter No. 645, dated 12th March 1903, from the President, Local Fund Board Chitaldrug, submitting the District Fund Budget Estimates of the Chitaldrug Local Fund Circle for 1903-04.

No. 16085-96—L. F. 10-03, DATED BANGALORE, 15TH MAY 1903.

ORDER THEREON.—The revenue of the Chitaldrug Local Fund Board for 1903-04 is estimated at Rs. 44,614 against Rs. 42,012, the actuals of 1901-02, and Rs. 44,310 the sanctioned estimate for 1902-03.

2. *I. 76 per cent of Local Cess.*—The increased estimate under this head is based upon the Jamabandi account for 1901-02, and is approved.

3. *II. Sale of stray cattle and III. Fines for cattle trespass.*—The estimates under these heads are not supported by the actuals of the past two years and will therefore be reduced to Rs. 6,260, which is about the average receipts of the said years.

Items.	Details.	1900-01	1901-02	Average per annum.	Estimate proposed.	Estimate sanctioned.

	Total ...	6,429	6,084	6,257	7,250	6,260

4. *Opening balance.*—The estimate under this head will be slightly raised from Rs. 8,726 to Rs. 9,181 with reference to the actual balance on 1st July 1902, according to the final accounts of the Comptroller and the sanctioned estimates for 1902-03 as per details given in the margin.

EXPENDITURE.

5. *A. Public Works.*—Under "repairs" the present budget provides (in addition to the 12 miles of the Davangere-Anaji Jagalur road, hitherto maintained at a cost of Rs. 600) for the maintenance of the remaining 19 miles of the road expected to be completed during the year 1902-03, while for the maintenance of the six miles of the Jogimatt road a moiety of the cost is stated to have been provided as per Board's resolution of 23rd February 1903. The combined provision of Rs. 540 entered for the latter road and for Chitaldrug Station roads will be split up and shown against the respective roads as shown in the margin. The details of the provision for "I. Original Works" have been erroneously entered in enclosure B, prescribed for works executed by revenue officers and should in future be shown in the prescribed form (enclosure B for Public Works Department works prescribed in Proceedings No. 7259-66—L. 576, dated 25th September 1891). The correct provision that ought to be entered on account of tools and plant is only Rs. 95 and not Rs. 100 as proposed. The former amount will be adopted, the total provision being reduced to Rs. 22,486.

	Rs.
6 miles of Jogimatt at Rs. 60 per mile half cost.	180
Chitaldrug Station roads	360
Total ...	540

CIVIL CHARGES.

6. *II. Medical scholarships.*—The reduced provision under this head will be retained pending the receipt from the Senior Surgeon of a statement showing the number and cost of scholarships payable during the year and the amount needed for schools books, fees etc.

7. *III. Hospitals and Dispensaries.*—The omission of the provision of Rs. 120 sanctioned in 1902-03 on account of the house rent of the Davangere Dispensary, which is now located in a Government building and the reduction of Rs. 50 proposed under "Bedding and clothing" account for the decrease under this head.

8. *IV. Midwives*—The provision made for the marginally noted items will be allowed, but the pay of the midwife on Rs. 20 per mensem will be shown as Rs. 15+5 in accordance with Government Proceedings No. 2273-84—L. F. 55-93, dated 3rd August 1902. The taluk to which she is posted should however be stated.

	Rs.
Half pay of 1 midwife at Rs. 20 per mensem.	120
Do 8 midwives at Rs. 15 ...	720
Full pay of the relieving midwife at Rs. 15.	180
Travelling allowance and fee for extra cases attended.	115
Total ...	1,135

9. The figures in the sanctioned column for 1902-03 have not been correctly entered in the consolidated budget statement. As per revised budget sanctioned in Proceedings No. 6255-7—L. F. 10-02, dated 24th October 1902, the total estimated expenditure under A. and C. is Rs. 26,543 and 14,588 and not Rs. 27,893 and Rs. 14,502 as entered in the budget statement. The necessary corrections will be made in this office.

10. The estimated receipts and expenditure sanctioned for 1903-04 will stand as shown below, the usual particulars being appended.

READ—

Letter No. 452, dated 7/13th March 1903, from the President, District Fund Board, Hassan, submitting the District Fund budget estimates of the Hassan Local Fund Circle for 1903-04, together with a copy of the District Fund Board's proceedings dated 28th February 1903.

No. 16240-52—L. F. 7-03, DATED BANGALORE, 19TH MAY 1903.

ORDER THEREON.—The Board estimate the income for 1903-04 under all heads at Rs. 69,960 against Rs. 66,509, the actuals of 1901-02, and Rs. 71,061, the sanctioned estimate for 1902-03.

2. *I. 76 per cent of Local Cess.*—The increased estimate under this head is based on the jamabandi figures for 1901-02 and the arrears expected to remain at the beginning of the year. The estimate will stand.

3. *Opening Balance.*—The estimate under this head will be raised from Rs. 20,045 to Rs. 23,646, which is the correct closing balance as per revised budget for 1902-03.

EXPENDITURE.

4. *A. Public Works.*—The marginally noted new items and increases appear under "I. Original" and "II. Repairs" in the present budget. The provision made for the additional three miles of the Hanbal-Devarunda road owing to the approaching completion of the second section of the road and the increase of Rs. 6 for the Hassan-Periapatna road is passed; but the increased rate of mileage allotment for the 9½ miles of "Saklespur-Archalli-Chikanhalli road" (as per new nomenclature) and the provision of Rs. 3,000 for rebuilding a bridge of 6 vents on the Frazerpet-Ramanathpur road, for which a project is said to be under preparation will be struck out, owing to insufficiency of funds. It is observed that the Board in para 6 of their proceedings of 28th February 1903, agreed to the Executive Engineer's proposal and resolved to provide Rs. 2,500 for the special repairs to the Arsikere-Hassan road and Rs. 500 as special grant to the Public Works Department to set in order the side and check drains across the three miles of the road beyond the Salagame in view to make over the same for annual maintenance by Public Works Department, but no separate provisions exist for these items in the detailed statement of repairs. These items, the necessity for the latter of which is not apparent and requires further explanation, are probably intended to be met from the Reserve grant of Rs. 4,000 which will be reduced to Rs. 1,000, the balance, *viz.*, Rs. 3,000 being entered for the works referred to. Owing to the reduction of provision for works the estimate for establishments and tools will be reduced proportionately.

New Items.	Rs.
I. Original—Rebuilding a bridge of 6 vents in Frazerpet-Ramanathpur road.	3,000
Increases.	
II. Repairs—(1) Repairing Saklespur-Archalli-Chikanhalli road, 9½ miles at Rs. 75 per mile instead of Rs. 50 sanctioned for 1902-03.	238
(2) Ditto Hanbal-Devarunda road, 3 at Rs. 100 each.	300
(3) Ditto Hassan-Periyapatna-Cannanore road Rs. 1,824 for 37 miles at Rs. 50 exclusive of 11·20 mile in municipality instead of 1817, sanctioned for 1902-03.	6

5. *B. Public Works.*—The provisions made for the marginally noted works are sanctioned, as also the provisions made for supervision charges and tools. It is however observed that the detailed statements under "II. Repairs" have not been entered in the prescribed form which should invariably be adopted in future, and the details of cart-tracks proposed to be improved at a cost of Rs. 800 should be furnished.

		Rs.
I. Original—		
Musafirkhanas	...	1,600
Sinking wells	...	1,200
Incomplete works	...	600
Cattle-pounds	...	1,500
Reserve for minor works	...	300
Total	...	5,200
II. Repairs—		
Special improvements to cart-tracks		800
Maintenance of musafirkhanas	...	800
Repairs to wells and reservoirs	...	200
Incomplete works	...	600
Total	...	2,400

CIVIL CHARGES.

6. *II. Medical Scholarships.*—The diminished provision under this head will be retained, pending the receipt from the Senior Surgeon of a statement showing the number and cost of scholarships payable to the students under-going training for the grade of Hospital Assistants, the cost of books to be supplied and school fees etc.

7. *III. Hospitals and Dispensaries.*—The net increase under this head is due to the gross increase of Rs. 256 on account of the marginally noted two items and to the decrease of Rs. 164 under bedding, clothing and furniture. The first item represents the annual increments earned by some of the compounders under Proceedings No. 13250-1—Mis. 1962, dated 18th June 1896 and is allowed but the others will be disallowed and the provision reduced, pending the receipt of a separate reference on the subject from the Senior Surgeon and the issue of final orders of Government thereon.

	Rs.
1 Increase of pay to the compounders of female dispensary, Hassan, Arsikere, Hanbal and Banavar dispensaries.	88
2 Malnad allowance to the compounders of Saklespur, Belur, Alur, Yeslur, Arehalli and Hanbal dispensaries.	168

8. *IV. Midwives.*—The pay of one of the midwives on Rs. 15 per mensem is proposed to be raised to Rs. 20 per mensem though the necessity therefor has not been explained. The omission should be supplied. Pending information the pay of all the midwives will be shown at the uniform rate of Rs. 15, the increase now drawn by those employed in the malnad and semi-malnad taluks being shown as allowance under Government Proceedings No. 2273-84—L. F. 55-93, dated 3rd August 1902.

8. *V. Sweepers for 3rd Class Travellers' Bungalows and Musafirkhanas.*—The provision of Rs. 24 sanctioned for 1902-03 on account of the watchman of the Inspection Lodge at Gorur, which is now reported to be a channel Inspection Lodge maintained from Irrigation Cess Fund has been omitted in the present budget and in lieu thereof the pay of the watchman of the Inspection Lodge at Hanbal and of the sweeper attached to the musafirkhana at Javagal reported to be nearing completion is entered newly. This provision is retained, subject to the submission of explanation as to how the Inspection Lodge at Hanbal is used and was hitherto maintained, and why it should now be transferred for maintenance from District Funds.

10. The other items call for no remarks.

11. The budget estimates of receipts and charges for 1903-04 are sanctioned as per particulars given in the accompanying appendices of which an abstract is given below:—

READ—

Letter No. 822, dated 27th February 1903, from the President, District Fund Board, Kolar, submitting the District Fund Budget estimates of the Kolar Local Fund Circle for 1903-04.

No. 16372-84—L. F. 2-1903, DATED BANGALORE, 21ST MAY 1903.

ORDER THEREON.—The income of the Board for 1903-04 is estimated at Rs. 77,950 against Rs. 77,352, the actuals of 1901-02, and Rs. 76,780, the sanctioned estimate for 1902-03.

2. *I. 76 per cent of Local cess.*—An increase of Rs. 1,000 over the sanctioned estimate for 1902-03 is put down under this head as the probable arrears of previous years to be collected during the year. The estimate will be allowed to stand. But the attention of the President is invited to para 2 of Government Proceedings No. 25-37—L. F. 2-02, dated 1st July 1902, and he is requested to see that every endeavour is made to reduce the estimated outstandings of Rs. 11,445 at the end of the year.

	Rs.
1. Total demand of Local cess	... 84,415
2. Estimated for 1903-04	... 73,000
Balance	... 11,415

3. *Opening balance.*—The estimate under this head will be slightly raised to Rs. 15,468 with reference to the actual balance on 1st July 1902 and the sanctioned estimates for 1902-03.

	Rs.
1. Actual Balance on 1st July 1902	... 43,435
2. Estimated receipts for 1902-03	... 76,780
Total	... 1,20,215
3. Estimated expenditure for 1902-03	... 1,04,747
4. Closing balance on 30th June 1903	... 15,468

EXPENDITURE.

4. *A. Public Works.*—Under "II Repairs" provision is made for the maintenance of only 29 miles against 31 miles of the Kolar-Sompur road sanctioned for 1902-03 at Rs. 80 per mile, the reserve grant being raised from Rs. 500 to 773, resulting in a net increase of Rs. 113 over the sanctioned estimate for that year. The provision is tentatively retained pending the submission of a report as to why the two miles of the road in question were hitherto maintained by the Kolar Board and what necessity there is for its present transfer.

5. *B. Public Works.*—The provision made for fresh works and repairs under this head, as shown in the margin, are approved. But the amounts shown under "III establishments" and "Tools and Plant," which do not correctly represent 10 and half per cent respectively on the cost of works, will be altered from Rs. 1,320 and Rs. 100 to Rs. 1,328 and Rs. 66.

	Original.	Repairs.
1. Wells ...	6,600	1,400
2. Roads and tunnels	2,630	835
3. Cattle pounds ...	200	300
4. Chattrams, musafirkhanas, etc.	...	1,310
Total ...	9,430	3,845

CIVIL CHARGES.

6. *Office Establishment.*—The provision made for the annual increments due to the establishments in the District Office, accounts for the increase in the estimate under this head, which is passed.

7. *II. Medical Scholarships.*—The proposed estimate under this head will be retained, pending the receipt from the Senior Surgeon of a statement showing the scholarships, school fees, cost of books, etc., payable to the students undergoing training for the grade of Hospital Assistants.

8. *III. Hospitals and Dispensaries.*—The net increase of Rs. 48 proposed under this head is due to the provision newly made for the 2/3rds cost (Rs. 398) of the female dispensary at Chikballapur and to the provision for bedding and clothing being reduced from Rs. 500 to Rs. 150. Pending the issue of final orders on the question of opening the female dispensary, now before Government, the provision will not be disturbed.

9. *Sweepers for 3rd Class Travellers' Bungalows and Musafirkhanas and VI Conservancy.*—The present budget provides under these heads only Rs. 500 and Rs. 1,000 respectively for furniture and removing prickly-pear against Rs. 1,000 and Rs. 4,000 sanctioned during the year 1902-03. The diminished estimates are retained.

10. *X. Miscellaneous.*—Under this head a sum of Rs. 150 is provided to meet the cost of watering the avenue trees on the first three miles of the Kolar-Bowringpet road as sanctioned in Government Proceedings No. 13338-9—L. F, 2-03, dated the 5th March 1903. The provision will stand.

11. The other items call for no remarks and are passed.

12. The budget estimates as now sanctioned stand as follows :—

				Rs.
1. Estimated receipts for 1903-04	...	...	...	77,950
2. Opening balance on 1st July 1903	...	...	...	15,468
		Total	...	93,418
3. Estimated expenditure for 1903-04—				
A. Public Works	...	42,480		
B. Ditto	...	14,669	...	79,296
C. Civil Charges	...	22,147		
Estimated closing balance	...	...	...	14,122

The estimated closing balance is less than the prescribed minimum by Rs. 5,278. Steps should therefore be taken to maintain the usual working balance by effecting savings in the sanctioned items, if the actual balance on 1st July 1903 does not exceed the estimate adopted by Rs. 5,978.

No. 16120-59—L. F. 31-1901, DATED BANGALORE, 15TH MAY 1903.

ORDER THEREON.—At the end of the year under review there were 124 Municipalities, or three more than in the previous year, the Municipalities which came into existence newly being—

1. Rampur ... ... Chitaldrug District.
2. Devasandra ... ... Ditto.
3. Hagganalli ... ... Tumkur District.

2. The abstract statement below shows the classification of the Municipalities in respect of their population :—

8	Bangalore City with a population of 69,447	1
9	Mysore City ditto 68,111	1
	Total ...	124

3. The Municipalities of the Bangalore and Mysore Cities were governed by the Municipal Regulation of 1871 as extended to the Mysore City by Regulation III of 1898 and as amended by Regulations Nos. VII of 1899 and I of 1900. The remaining Municipalities in the State were governed by the executive orders of Government except in the two Cities named above, which enjoy the privilege of electing half the total number of members, Municipal affairs are managed by Committees consisting of *ex-officio* and nominated members appointed by Government.

4. The following abstract statement exhibits the strength of Municipal members in the several Municipalities as it stood at the end of the year :—

Serial No.	Municipalities.	Number of Municipalities.	Number of members.				Total at the end of 1900-01.

5. Except in those which came into existence during the year and those named in the margin, monthly meetings were regularly held in all the Municipalities. The deficiency was due to the prevalence of plague in many cases and for want of quorum on days fixed for meetings in others. The attendance of members was generally good.

The largest revenue was contributed by the Cities of Bangalore and Mysore, that of the other Municipalities ranged between Rs. 304 (lowest) in Mirle and Rs. 24,327 (highest) in Kolar, the average income being Rs. 3,291-4-4.

7. *Octroi.*—The statement below exhibits the particulars of revenue realized in 1900-01 on the several articles subjected to Octroi duties as compared with those of the previous year :—

No.	Articles.	Income. 1899-00.	Income. 1900-01.
1	Cocoanuts, fresh	19,590	18,568
2	Ditto dry	3,004	3,787
3	Betel leaves	20,843	20,418
4	Sugar	6,392	7,161
5	Jaggory	6,709	7,658
6	Ghee	10,619	8,253
7	Butter	320	163
8	Sheep, goats, etc.	9,977	11,216
9	Oil, oil-seeds	12,313	14,185
10	Timber, teak, etc.	8,626	8,854
11	Drugs, gums, etc.	368	.....
12	Tobacco	20,201	18,629
13	Cloths	60,755	72,935
14	Other items	.....	2,592
	Total ...	1,79,717	1,94,419

From the above it appears that the revenue was larger than that of the previous year by Rs. 14,702. The increase was chiefly contributed by the introduction of Octroi into the Municipalities of Mirle, Benkipur and Holehonnur and by the Octroi on certain additional articles in the Bangalore City, sanctioned in Government Proceedings Nos. 4251 and 7603-4—L. F. 194-94, dated 29th October 1899 and 4th January 1900, respectively, being levied for the whole year instead of only for a few months in the previous year.

8. *House Tax, Lighting Tax and Mohatarfa.*—There were increases amounting to Rs. 12,102 under these heads, also due chiefly to the credit of revenue from House and Mohatarfa taxes to the newly constituted Municipalities and to the collection of arrears of previous years.

9. *License Receipts, Carriage Tax and Tax on Animals.*—The Regulation Municipalities of Bangalore and Mysore Cities alone realized an income from those sources. The details of revenue collected during the year are shown below and compared with those of the preceding year:—

10. *Miscellaneous.*—The credits under this head as compared with those of the previous year are shown in the following abstract statement:—

No.	Items.	1899-00.	1900-01.
		Rs.	Rs.

14	Water tax	4,390	3,760
15	Other items	8,089	16,340
	Total ...	79,109	94,994

11. *Land Revenue.*—The land revenue collected within the Municipal limits of Bangalore was, as usual, credited to the City Municipality. But the source from which Rs. 1,237 was credited in the City of Mysore and certain Municipalities of Bangalore and Kadur Districts, should have been stated. In reply to an enquiry the President of the Municipal Commission, Mysore City, explains that Rs. 13 was the lease amount of Survey No. 440 of Mysore Kasaba village acquired by the Municipality in 1895 for the location of cholera sheds, but for which purpose it was not used; while the President of the Municipalities in the Kadur District explains that Rs. 1,203 was the realization of kandayam on backyards and vacant sites in the marginally noted Municipalities.

12. *School Fees.*—In the City of Bangalore, schools were maintained at the cost of Municipal Funds and fees credited to the Municipality as usual, but the source from which Rs. 13 were credited to the Vadigenahalli Municipality in the Bangalore District, is not stated.

13. *Demand, Collection and Balance.*—The total demand including the arrears of previous years amounted to Rs. 8,53,251 as given in the reports. Of this only Rs. 6,50,383 were collected, leaving an uncollected arrear at the end of the year amounting to Rs. 2,02,868 or 23·78 per cent of the demand. This large balance is due to causes similar to those mentioned in the review for the last year.

EXPENDITURE.

14. *II. Head Office.*—The amounts shown under this head represent the allowance paid to the Vice-Presidents of the Bangalore and Mysore Cities and the cost of their office establishments as well as salaries, etc., of establishments maintained in the offices of the Presidents and Vice-Presidents of other Municipalities.

15. *Collection.*—The employment of additional hands sanctioned for collecting the duties and the payment of commissions for collecting the taxes recently introduced in some of the Municipalities account for the increase under this head.

16. *Conservancy and Sanitation.*—A sum of Rs. 4,054 was spent in 1900-01 in excess of the expenditure of the previous year on the special sanitation of the towns. The increase was chiefly due to the entertainment of additional hands, to the increase of pay to the existing hands, and to the entertainment of additional carts in some of the Municipalities. Village sanitation rules were introduced into all the Municipalities in the State except the Cities of Bangalore and Mysore, which are governed by a special Regulation. It is satisfactory to note that Municipal Boards evinced keen interest in the enforcement of these rules with a view to improve the sanitary condition of these towns.

17. *Registration of Births and Deaths.*—In the Cities of Bangalore and Mysore special registrars exist for the registration of births and deaths, but in other Municipalities the work is done by the village establishments. The number of deaths during the year rose from 13,600 to 23,977, while the number of births fell from 11,310 to 11,226 as shown in the appended statement :—

18. *Lighting.*—During the year under review 109 towns were lighted at a cost of Rs. 48,402 against 104 towns costing Rs. 45,278 in the previous year.

19. *Public Works.*—The particulars of expenditure incurred by the Municipalities for the execution of works during the year and for their supervision charges, are exhibited in the financial statement No. II, of which an abstract is given hereunder :—

No.	Municipalities.	Cost of works.	Supervision charges.	Total.
		Rs.	Rs.	Rs.

20. *Supervision Charges.*—In the Cities of Bangalore and Mysore as well as in some other Municipalities fixed establishments are kept up, while in other Municipalities 10 per cent of the expenditure incurred on works is allowed to meet the salaries of Work Inspectors and their peons for the supervision of works. The expenditure under this head amounted to Rs. 18,723 against Rs. 17,805 in the previous year. In the Bangalore, Hassan, Shimoga and Kadur Districts and in the French Rocks Sub-Division, the supervision charges exceeded 10 per cent of the cost of works. This excess should have been explained.

21. *Water-supply, Original.*—A sum of Rs. 5,986 was expended on fresh works for the improvement of drinking water-supply during the year as against Rs. 7,687 in the previous year. In addition to this, Rs. 5,370 were spent on the improvement of the existing sources of water-supply. The moiety of cost debited to Municipal Funds for the works undertaken by the Sanitary Department, is exhibited below :—

23. *Charitable Grants.*—The figures entered by the Presidents in their reports do not correspond with those furnished by the Comptroller. According to the former, the sums spent during the year on account of Hospitals and other Medical and Charitable institutions amounted to Rs. 29,227. The number of Hospitals and Dispensaries supported from Municipal Funds fell from 77 in 1899-00 to 76 in 1900-01, owing to the closing of the Petta Dispensary at Shimoga.

24. The following statement gives particulars showing the number and cost of the institutions supported from Municipal Funds together with the number of patients treated in them :—

25. *Vaccination.*—As in the past year, the Municipalities of Bangalore, Mysore, Hassan and Kolar alone maintained special establishments for vaccination work, the duty in the remaining Municipalities being performed by the Taluk Vaccinators employed at the cost of Provincial Funds and the Hospital Assistants and other medical subordinates in charge of Local Fund Dispensaries. The details showing the number of persons vaccinated during the year 1900-01 as compared with those of the preceding year are exhibited in the following abstract statement :—

26. The Bangalore and Mysore Cities maintained the Maternity and Her Highness the Maharani's Hospital respectively. The Municipalities at the remaining head-quarter supported dispensaries established in them for women and children while the remaining Municipalities in the State contributed fully or partly towards the cost of midwives in the several taluks. The following statement gives details of cost incurred and the number of cases attended to during the year under review :—

27. *Education.*—As per particulars given in financial statement No. II, the aggregate amount paid from Municipal Funds on account of Public Instruction amounted to Rs. 38,039 against Rs. 39,798 in the preceding year. The Bangalore City Municipality continued to maintain the City Municipal School, Kannada Boys' School and Chamarajendrapet Anglo-Vernacular School, and paid grants-in-aid to the Sanskrit College and a few indigenous schools. The details showing the number of schools maintained, the number of students, the fees realized, the expenditure incurred, and the number of candidates who passed the Lower Secondary Examination during the year, are given in the following abstract statement:—

29. *Gardens.*—In addition to the Park at Chikmagalur, a garden was opened, at Hosamane during the year. The parks and gardens in the Municipalities of the Kadur District, and in the Hassan Town are reported to have been in a good condition. The report for the Shimoga District gives the expenditure incurred on gardens in the Municipalities in the district but does not say how they progressed. The report of the Kolar District is silent as regards the park at Kolar, and the report of the Bangalore City omits to give information as regards its Municipal garden. The attention of the Presidents is invited to the instructions contained in para 32 of Government Proceedings No. 14163-75—L. F. 20-1900, dated the 27th February 1902, with a view to full information being embodied under this head in their future reports.

30. Government regret to observe that none of the reports and accounts were received on or before the due date, *viz*, 1st October 1902, some of the reports having been received after a delay of over five months, the last report received being that of the Mysore City Municipal Commission on the 3rd May 1902.

(1) Letter No. 45, dated the 22nd September 1902, from the President of the Municipal Commission, Mysore City, submitting the explanation on certain items of budget grants, called for in Government Proceedings No. 285-91—L. F. 12-92, dated the 5th July 1902, and proposing certain modifications under "I. Head Office" and "XI. Miscellaneous charges."

(2) Letter No. 156, dated 14th February 1903, from the same officer, requesting that provision be made in the budget for Rs. 3,512-14-6 to be credited to Public Works Department on account of the working expenses of the Vani Vilas Water-works during 1900-01.

No. 16253-65—L. F. 12-02, DATED BANGALORE, 19TH MAY 1903.

RECEIPTS.

ORDER THEREON.—*VI. Tolls.*—As the President explains that the right of collecting tolls during the current year was sold to the highest bidder for Rs. 21,588, this figure will be adopted finally in the revised budget as the estimate under this head, instead of Rs. 21,740.

Para 5 of Government Proceedings No. 285-91—L. F. 12-91, dated 5th July 1902, and para 2 of President's letter No. 45, dated 22nd September 1902.

OPENING BALANCE.

2. As the actual balance in favor of the Municipality on 1st July 1902 is Rs. 26,989, the estimate under this head will be raised from Rs. 19,785 to Rs. 26,989.

3. *IV. Conservancy, (b) Other Charges.*—The submission of the estimate for the purchase of three carts for the removal of slaughter-house rubbish is awaited and the original estimate of Rs. 500 will be retained under this head.

Para 8 of Government Proceedings and para 8 of the President's letter.

4. *VI. Registration of Births and Deaths.*—The President explains that the Hospital Assistant in charge of the Erangere Camp is precluded from the nature of his duties from taking up private practice, and recommends that the allowance now being paid to him may be continued. As the plague allowance sanctioned to the Hospital Assistant in Proceedings No. 10018-20—L. B. (P.) 470, dated 15th December 1902, is only Rs. 15, the provision made for the same will be reduced to Rs. 180 and a sum of Rs. 984 will be added to provide for the temporary establishment sanctioned in the same order. The estimate under this head will accordingly be raised by Rs. 924.

Para 9 of Government Proceedings and para 4 of President's letter.

5. *VII. Lighting.*—The President states that the existing number of lamps is 854, that the cost of 22 lamp lighters is Rs. 1,356 and that it is not possible to state exactly the amount needed for repairs to lamps etc. It is observed that estimates on account of repairs of lamps, cost of oil, wick etc., should be based on the average of the past two years and the cost of new lamp-posts and lanterns should be calculated on the number of new lamps the Board resolve to purchase, and the probable amount required under each head should be arrived at. This should now be done and the probable amount required should be specified, as no lump sum provision can be accepted without details. It is not understood how it is said to be under contemplation to buy 200 lamp-posts with lanterns complete at Rs. 16 each, when a provision of only Rs. 750 has been made in the budget for the purchase of new lamp-posts with lanterns. Pending information on these points, however, the provision will stand at Rs. 88 from which the cost of the Washington lamps amounting to Rs. 2,250 referred to in his letter No. 49, dated 4th October 1902, will be met.

6. *VIII. Public Works, (b) to (o) Works.*—To meet the sum of Rs. 14,998, being the value of work done during 1901-02 but payment deferred from want of funds, the estimate under this head will be raised from Rs. 26,318 to Rs. 41,316, pending the submission of information as to whether the increased allotment of Rs. 8,783 sanctioned in para 11 of Government Proceedings No. 285-91—L. F. 12-02, dated 5th July 1902, may not be struck out in view to maintain the usual working balance of Rs. 20,000. The President's remark that estimates for original works and not repairs costing

Para 11 of Government Proceedings and para 6 of President's letter.

Rs. 500 and upwards will be submitted, is not understood, as, under Government Proceedings No. 9177-85—L. F. 137-92, dated 8th February 1896, all estimates, whether for original works or for repairs for Rs. 500 and upwards, require the previous sanction of Government.

7. *XI. (7) Vani Vilas Water-works.*—The President reports that the marginally noted establishment is maintained at Oontikoppal Reservoir that no allowance is now being paid to Mr. Schaefer but that the travelling allowance of the Sub-Assistant Surgeon at Seringapatam, who visits the Belagola Pumping Station as often as is necessary and the Medical allowance given to him comes up to about Rs. 30 a month and requests that the provision of Rs. 6,000 made under this head may be allowed to stand. It is not clear under what authority the allowance to Mr. Schaefer has been stopped and why the establishment at Oontikoppal costing Rs. 40 per mensem is mantained and under what authority the Sub-Assistant Surgeon at Seringapatam has been asked to visit the place to render Medical aid and allowances are disbursed to him from Municipal Funds and why this work should not be done by the Health Officer of the City. This information should be furnished. Pending its receipt and final orders of Government, the provision under this head will be raised to Rs. 7,797 so as to include the supplemental grant of Rs. 3,512-14-6, applied for by the President in his No. 156, dated 11th February 1903, to meet the expenditure on the maintenance of Vani Vilas Water-works.

8. The President proposes to make fresh provisions of Rs. 300 and 2,100 under the heads "I. Head Office" and "XI. Miscellaneous," respectively, to meet the travelling charges of the Vice-President and the Municipal Engineer who have to inspect the Pumping Station at Belagola and the road to Chamundi Hill which are outside the Municipal limits, and the cost of the casket presented to His Highness the Maharaja on the occasion of his Installation. These provisions are allowed to stand.

9. The budget estimates of receipts and expenditure of the Mysore City Municipality for the year 1902-03, as now revised, will stand as shown hereunder:—

		Rs.
(1)	Opening balance	26,989
(2)	Receipts	1,44,203
	Total ...	1,71,192
(3)	Expenditure	1,64,975
(4)	Closing balance . . .	6,217

which is less than the minimum balance prescribed by Government by Rs. 13,783. The President states that Government Order No. 6861-70—157, dated 8th December 1899, requires "that 25 per cent should be kept as reserve." But in the more recent order the minimum balance for the Municipalities of Bangalore and Mysore Cities was fixed at Rs. 20,000 (*vide* para 14 of Proceedings No. 9861-64—L. F. 242-92, dated 9th January 1893).

The Presidents of the Municipalities in other Districts.

READ—

Letter No. 650, dated 16th March 1903, from the President of the Municipalities in the Chitaldrug District, submitting, with reference to Government Proceedings No. 12026-7—L. F. 21-02, dated 18th February 1903, the revised budget estimates of the Municipalities of Davangere, Harihar, Malebennur and Hiriyur for 1902-03.

No. 16715-26—L. F. 21-02, DATED BANGALORE, 25TH MAY 1903.

ORDER THEREON.—The supplemental grants proposed in the above are noted hereunder:—

RECEIPTS.

2. *VI. Tolls.*—The estimate of Rs. 3,000 under this head sanctioned in the original budget of Davangere is proposed to be raised to Rs. 5,000, as in the first seven months of the year the actual realisations from this source amounted to Rs. 3,219. This is passed.

3. *II. Tax on houses and VII. Mohatarfa.*—The President now explains that the estimate of Rs. 25 wrongly entered under "VII. Oil-mills" in the original budget of Hiriyur should properly appear under "II. Tax on houses" as there are no oil-mills in the town, and accordingly proposes a reduction under the former head and increase under the latter head. The transfer proposed is approved and the estimates altered accordingly.

4. *Opening balance.*—The estimates under this head are proposed to be raised with reference to the actual balance in favor of each Municipality on 1st July 1902. The revised estimates which are in accordance with the Comptroller's final accounts for 1901-02 are allowed.

3.	Hiriyur	„	248	889
4.	Malebennur	„	547	1,228

EXPENDITURE.

5. *Interest on debt.*—The original provision of Rs. 440 under this head sanctioned in the budget of Davangere having been found insufficient, an additional grant of Rs. 280 as proposed is sanctioned.

6. *III. Collection (c) Other taxes.*—The provision made for the salaries etc., of five more gate-keepers sanctioned for Davangere in Proceedings No. 4513-4—L. F. 40-01, dated 24th September 1902, accounts for the increase under this head. The permanent retention of these additional gate-keepers, proposed in the President's letter No. 458, dated 13th December 1902, is approved and the provision passed.

7. *VIII. Public works.*—As noted in the margin, provision is made for incomplete works sanctioned in Proceedings No. 12026-7—L. F. 21-02, dated 18th February 1903, and for supervision charges in the last three towns. The estimates are approved.

8. *XI. Miscellaneous (h) Fairs and Festivals (i) Other items.*—The supplemental grant of Rs. 30 provided under this head on account of the expenditure incurred in connection with the Coronation festivities observed on 1st January 1903, is in accordance with Proceedings No. 10087-8—L. F. 47-02, dated 17th December 1902, and is retained.

9. The estimates of the four of the Municipalities in the District as now revised stand as shown hereunder. The usual particulars are appended :—

3. The attention of Deputy Commissioners of Districts (except Shimoga and Kadur) is drawn to the extracts of the detailed statement already sent to them by the Comptroller. The arrears up to the year 1900-01, which should be either recovered or recommended for remission, must be cleared before the close of the current official year and such clearance intimated to Government not later than 15th July 1903. Prompt measures for the realization of the arrears due for 1901-02 must also be adopted.

To—The Secretary, Mysore State Life Insurance Committee, Bangalore.

OFFICE OF THE DEWAN OF MYSORE,
Dated Bangalore, 11th May 1903.

Notification No. Fl. 1892.

The Government of His Highness the Maharaja of Mysore are pleased to direct that the figure "3" in the 4th line of Rule 10 of the Insurance Rules be altered into "12."

The rule as now amended stands thus:—

"10. When an Insured ceases to be under the service of the Government before completing the age of 55 years, he may elect within 12 months either to surrender his Policy and Receipt Book receiving 50 per cent of the amount of premium paid by him without any interest; or to continue to pay the premium due on his Policy till it becomes mature, or discontinue payment of the same, in which latter case, the arrears of premium so withheld shall be treated as debt against his Policy and deducted with compound interest at 4 per cent per annum from the bonus payable to him. Provided, however, that dismissed officials, who have been ordered by Government to be included in the list of officials not eligible for re-entertainment in Government service, shall not be entitled to the benefit of the second and third alternatives in this Rule, but shall receive only 50 per cent of the total premium paid by them without any interest."

OFFICE OF THE DEWAN OF MYSORE,

DATED BANGALORE, 12TH MAY 1903.

Notification No. Fl. 1902, dated 12th May 1903.

The Government of His Highness the Maharaja of Mysore are pleased to direct that the following addition be made to Rule 23 of the Mysore State Life Insurance Rules before the word "The" at the beginning of the first sentence thereof:—

"In all ordinary cases, the President and the Secretary, and in doubtful cases."

The Rule as now amended stands thus:—

"23. In all ordinary cases, the President and the Secretary, and in doubtful cases, the Committee, shall authorise payment of the bonus to the Insured as soon as possible on his completing the age of 55 years and on surrendering his Policy. If the Insured is dead, the bonus shall be paid to the person or persons nominated during the life-time of such Insured, approved by the Committee and registered in the office of their Secretary and failing such nominees, to his legal heirs declared as such by a competent Court of law and on the surrender of the Policy. The bonus payable under this Rule shall be subject to a deduction of any amount that may be due to Government by the Insured."

No. FL. 1988-97, DATED BANGALORE, 15TH MAY 1903.

ORDER THEREON.—In the Government Proceedings read above, a sum of Rs. 9500 was allotted for advances to be made under Takavi Rules during the year 1902-03. The monthly statements received from the Districts show that only Rs. 500 has been spent in the Bangalore District under this head up to the end of January 1903. The Comptroller, Mysore Government, reports that only Rs. 12,600 is available during the current year for advances for land improvements, irrigation wells and takavi advances.

In supersession of the order of the 16th October 1902, the Comptroller, Mysore Government, is requested to place the aforesaid sum distributed in the following manner at the disposal of the Deputy Commissioners of Districts :—

	Rs.

(2) Correspondence ending with letter No. 5609-95, dated 8th April 1903, from the Comptroller, Mysore Government, pointing out the provision in the budget, from which the above sum may be met, and requesting instructions to all Heads of Departments in the matter of additional allotments.

No. Fl. 1938-80, dated Bangalore, 18th May 1903.

Order thereon.—The amount applied for by the Agricultural Chemist is sanctioned.

2. The amount may be met out of the grant of Rs. 10,000 made in the current year's budget under "Head-quarters, 23 Miscellaneous, (2) Miscellaneous (General), 4. Purchase and repair of tents," as proposed by the Comptroller.

3. The procedure prescribed in Rules 21 to 24, Part I, Chapter II of the Financial Rules prescribed by Government Order No. Fl. 1150-192—18-1901-02, dated 7th February 1903, should be followed by all Heads of Departments and Deputy Commissioners of Districts, when they require additional allotments. In such cases, the columns 6 to 10 of form No. 10 will be left blank to be filled up by the Comptroller's office before submission to Government for sanction.

In the present case, the Agricultural Chemist is requested to send the Comptroller, Mysore Government, a re-appropriation statement giving full particulars of heads of grants affected, so that necessary notes may be made in the Comptroller's office.

EXCISE

Proceedings of the Government of His Highness the Maharaja of Mysore,

READ—

Letter No. 4570—235, dated 7—11th February 1903, from the Excise Commissioner in Mysore, submitting the record of enquiry relating to the Inamdars' claim to the toddy revenue of the Sarvamanya Vuthanahalli village, Mysore Taluk, Mysore District.

No. 559-60—Ex. F. 12-01, DATED BANGALORE, 6TH MAY 1903.

ORDER THEREON.—The village in question contains a toddy shop and a grove. The Inamdars' claim to the Excise revenue from toddy is supported by the Nirup dated 24th December 1821, the Inam Settlement, and long enjoyment, and is accordingly allowed, subject to Rules 2, 5 and 9 in Government Proceedings No. 2074-83—R. F. 166-92, dated 2nd August 1901.

Letter No. 4449—222, dated 20th January—2nd February 1903, from the Excise Commissioner in Mysore, submitting the records of enquiry relating to the Inamdars' claim to the toddy revenue of the Jodi Hanumanahalli village, Koratagere Sub-Taluk, Tumkur District.

No. 561-2—Ex. F. 11-01, DATED BANGALORE, 6TH MAY 1903.

ORDER THEREON.—There is a grove but no shop in the village. The Inamdars are admittedly not entitled to the Excise revenue from toddy either under the Sannads or the Inam Settlement. They are therefore allowed only tree-rent. The excess payment of Rs. 78-4-10 should be adjusted at an early date and the fact reported to Government.

No. 563-4—Ex. F. 11-01, DATED BANGALORE, 6TH MAY 1903.

ORDER THEREON.—There is a date grove but no shop in the jodi village referred to above. The Inamdars are not entitled to the Excise revenue from toddy either under the Sannad or under the Inam Settlement; nor have they ever enjoyed it. They are therefore allowed only tree-rent which is all they claim. The sum of Rs. 13-0-10 reported to have been paid to the Inamdars in excess of what was due to them, should be recovered and the fact reported to Government.

No. 565-7—Ex. F. 12-01, DATED BANGALORE, 6TH MAY 1903.

ORDER THEREON.—The above villages belong to Sri Ahobalaswami Matt, and there is a toddy shop in each of the villages but no grove. The Sanad concedes "Ichal Pairu" to the Matt and the Inam Settlement recognises the Matt's right to the toddy revenue and its enjoyment. Concurring with the Excise Commissioner, Government decide that the claim to the Excise revenue from toddy is established subject to Rules 2, 3, 5, 6 and 12 of the Rules issued with Government Order No. 2074-83—R. Report on the Administration of the Excise Revenue in the Mysore State for the year 1901-02, received with letter No. 5254-345, dated 3rd March 1903, from the Excise Commissioner in Mysore.

No. 572-81—Ex. F. 5-02, DATED BANGALORE, 12TH MAY 1903.

ORDER THEREON.—The Government observe that, in spite of the instructions issued in the marginally noted Proceedings, there has been a delay of about four months in the submission of the report.

Government Proceedings, dated 23rd July 1900, No. 1040-72—Mis. 222.
Ditto dated 26th July 1900, No. 1224-62—Mis. 254.
Ditto dated 5th September 1900, No. 3542—Mis. 762.
Ditto dated 19th September 1900, No. 4313-53—Mis. 985.

The Excise Commissioner is requested to submit the explanations of the officers who have contributed to the delay.

2. *Chief events of the year.*—The year was marked by the coming into force, from 15th September 1901, of the Excise Regulation, the passing of rules for the settlement of the Inamdars' claims to toddy revenue, and by the levy of tree-rent, hitherto waived, on toddy-yielding trees in unoccupied Government lands.

The tender of Messrs. Arbuthnot & Company was accepted for the exclusive privilege of manufacturing arrack and other country spirits for the territories of Mysore for a period of five years from 1st July 1902.

3. *Financial Results.*—The collections under all heads aggregated Rs. 35,66,453-4-4 against Rs. 37,36,887-8-10 in the previous year, the decrease being sufficiently accounted for by the continued prevalence of plague, the depression in the coffee industry and the losses sustained by the licensees in the previous year.

Appendix "F" to the report shows that arrears of more than two lakhs are outstanding and that in the Hassan and Mysore Districts the arrears date so far back as 1883-84 and 1885-86, respectively. Government consider this unsatisfactory and desire that no time should be lost in having the arrears either collected or written off the accounts according to the circumstances of each case.

4. *Lists of Date Groves.*—These lists have long been overdue and their submission should be expedited.

5. *Date Plantations.*—With reference to paragraph 44 of the report, the Excise Commissioner's attention is drawn to paragraph 6 of Government Proceedings dated 1st February 1902, reviewing the Administration Report for 1900-01, and requesting the submission of a consolidated detailed report on the artificial reproduction of date trees, pending orders on which, no new plantations should be undertaken. Why there has been such long delay in the submission of the detailed report called for, is not understood and must be explained as early as possible.

6. *Curtailment of the Report.*—Attention is again invited to paragraph 1 of Government Proceedings dated 1st February 1902, in regard to the curtailment of Annual Reports.

No. 593-5—Ex. F. 12-01, DATED BANGALORE, 14TH MAY 1903.

ORDER THEREON.—There is a toddy shop in the Inam village in question. The Sannad, the Inam title-deed and long enjoyment support the Inamdar's claim to the Excise revenue from toddy, and the Government are accordingly pleased to admit the claim subject to rules 2, 3, 5, 6, 9 and 12 of the rules issued with Government Order No. 2074-83—R. No. 596-7—Ex. F. 12-01, DATED BANGALORE, 14TH MAY 1903.

ORDER THEREON.—The Inamdars' claim to the toddy revenue of the villages referred to above, is established both under the Nirup and the Inam title-deed. There are no toddy shops, but there are a few date trees in the villages. Accordingly the Excise revenue from toddy is payable to them subject to rules 2, 5 and 13 issued in Government Proceedings No. 2074-83—R. F. 166-92, dated 2nd August 1901.

No. 598-9—Ex. F. 12-01, DATED BANGALORE, 14TH MAY 1903.

ORDER THEREON.—The inamdar is entitled to Excise revenue from toddy both under the sannad and the inam settlement. There is no shop, but there is a grove in the village. The claim of the inamdar to toddy revenue is allowed subject to Rules 2, 5 and 13 issued in Government Proceedings No. 2074-83—R. F. 166-92, dated 2nd August 1901.

2. A perusal of the "Memo" and "finding" submitted by Mr. C. Venkat Rao, Assistant Commissioner, who investigated the claim, shows that he has either not understood the rules or carelessly prepared the calendar. He awards tree-rent only in the "finding" and then proceeds to say in the column "grounds of decision" that the inamdar is entitled to a lump-sum grant under Rule 13, which is grantable only to those entitled to the Excise revenue. The Assistant Commissioner's proceedings, which were passed in April 1902, were apparently not revised by the Deputy Commissioner, and there has been a delay of ten months in their submission to Government.

In exercise of the powers conferred by Section 29 of the Excise Regulation, V of 1901, as amended by Regulation IV of 1902, and in exercise of all other powers enabling them in this behalf, the Government of His Highness the Maharaja of Mysore hereby make the following amendments to the Rules for the sale of Country Beer Taverns published under Government Notification No. 593—Ex. F. 5-95, dated 30th June 1902:—

(1) Substitute "35" for "24" in line 3 of condition 1.

(2) After the word "them" in line 4 of condition 5, insert the following:—
"or such other reasonable amount as may be fixed by the Deputy Commissioner according to the value of each tavern."

(3) After the word "him" in clause (4) of condition 7, insert a comma, and then insert the words "together with local cess at one anna per rupee."

(4) After the word "duty" in line 5 of clause (5) of condition 7, insert the words "together with local cess."

(5) After the word "duty" in line 7 of clause (15) of condition 7, insert the words "together with local cess."

(6) In line 11 of condition III of Beer License A, omit the words "of Rs. 500."

(7) After "him" in line 2 of condition IV of the same license, substitute comma for the full stop and add "together with local cess at one anna per rupee."

(8) After "duty" in line 4 of condition V of the said license, insert "together with local cess."

Letter No. 4577—245, dated 9—11th February 1903, from the Excise Commissioner in Mysore, submitting the record of enquiry relating to the Inamdars' claim to the toddy revenue of the Jodi Uppanahalli village in the Nanjangud Taluk, Mysore District.

No. 624-5—Ex. F. 12-01, DATED BANGALORE, 23RD MAY 1903.

ORDER THEREON.—This claim, which had come up to Government once before this, was, on a careful consideration of the evidence before them, disallowed in Government Order No. 6340-1—Ex. 230, dated 15th January 1898. A fresh investigation was, however, held in accordance with the instructions subsequently issued in Government Order No. 2074-83—R. F. 166-92, dated 2nd August 1901, in the course of which no additional evidence was produced by the Inamdars. Government are therefore of opinion that one-fifth of the grove rent from 1892-93 to 1896-97 under Rule 4 in

the Government Order of 2nd August 1901 is all that the Inamdars are entitled to. From the amount thus due the amount already advanced to them should be adjusted.

2. The Excise Commissioner is requested to report if, as regards payments for 1897-93, Rule 8 applies to this case, and with regard to payments under the tree-tax system, which of the Rules 16 and 17 is applicable to this case.

Letter No. 4578—246, dated 7—11th February 1903, from the Excise Commissioner in Mysore, submitting the record of enquiry relating to the Inamdars' claim to the toddy revenue of Bendigahalli Kayamgutta village, Nanjangud Taluk, Mysore District.

No. 626-7—Ex. F. 12-01, DATED BANGALORE, 23RD MAY 1903.

ORDER THEREON.—There is a date grove but no shop in the village referred to above. The Inam settlement reserves to Government "Abkari" which includes "Toddy," and the Inamdar has failed to establish his claim to the Excise revenue from toddy. Government are therefore of opinion that the Inamdar is entitled to only one-fifth of the grove rent from 1892-93 to 1896-97, under Rule 4 in Government Order No. 2074-83—R. F. 166-93, dated 2nd August 1901. In regard to subsequent years, the Excise Commissioner is requested to report if Rule 8 applies to this case and which of the Rules (16 or 17) will regulate payments under the tree-tax system.

Government Proceedings dated 2nd August 1901, No. 2074-83—R. F. 166-92, issuing rules for the settlement of the claims of the holders of alienated villages to the toddy revenue of their villages.

No. 638-47—R. F. 166-92, DATED BANGALORE, 28TH MAY 1903.

ORDER THEREON.—As it has been found that some of the reports submitted to Government under Rule 28 of the Proceedings read above have not been prepared in conformity with the rules, and as there is reason to believe that the investigating officers have in some cases not understood the rules, the Government resolve to issue the following subsidiary instructions:—

1. The finding under Rule 18 should clearly specify the items of toddy revenue (excise revenue, tree-rent, or both) to which the holder of the alienated village is adjudged to be entitled. Before recording a finding allowing the claim of the holder to excise revenue, the investigating officer has to satisfy himself that the excise revenue has been alienated by competent authority and that the holder has been in enjoyment of the excise revenue for 12 years preceding 1892-93. Similarly before disallowing any claim to excise revenue, the investigating officer should ascertain and record if, in spite of the absence of title, there has been an uninterrupted enjoyment of excise revenue for a period of not less than 50 years preceding 1892-93.

2. When the claim to excise revenue is allowed, the investigating officer should carefully record the amounts payable for past years to the holder of the alienated village under the three different systems of toddy administration and must assign to each case its particular place in each system. It will be seen that there are two possible cases under the farming system (Rules 2 and 3), three possible cases under the preliminary tree-tax system (Rules 5 to 7), and seven possible cases under the tree tax system (Rules 9 to 15).

3. When the claim to excise revenue is disallowed, the investigating officer should record the amounts payable for past years to the holder of the alienated village under each of the three systems and refer each case to its proper place in the third system (Rules 16 and 17).

4. Rule 13 does not seem to be sufficiently clear. The Excise Commissioner will be good enough to state if and how its wording should be modified, so as to make its meaning more intelligible.

The above rates are the maxima which may neither be reduced nor raised by the Deputy Commissioner without the sanction of Government.

2. The seigniorage prescribed by these rules does not refer to reserved trees, and the Deputy Commissioner may, by direct order, prohibit the grant of any tree or produce on seigniorage, either for a time, or in certain localities, or altogether. Reserved trees and trees or produce for which the issue of seigniorage permits is prohibited by district order, will be sold or otherwise disposed of at the discretion of the Forest Department.

3. The form of permit and method of issue, registration, check and recovery will be prescribed by the Deputy Commissioner on behalf and under the authority of the Government in accordance with the general rules framed under the Forest Regulation.

4. The term " Cart load " refers to a country cart drawn by two bullocks and is equivalent to 20 cubic feet or half a ton. The head load is equivalent to one cubic foot or 56 lbs.

20. Head loads equal one cart load.

10. Head loads equal one Wadder cart load.

4. Head loads equal one bullock load.

2. Head loads equal one ass load.

5. Trees and other forest produce, not shown in the foregoing list, when removed from reserved land or, except in the case of free removals under Rule 9 of the General Rules for the management of District Forests and other lands at the disposal of Government, from unreserved land, are chargeable at such rates as may be decided upon from time to time by the Deputy Commissioner with the approval of the Conservator of Forests.

READ—

Progress Report of Forest Administration in the Mysore State for the year ending 30th June 1902.

No. 732-70—7079-117, DATED BANGALORE, 15TH MAY 1903.

ORDER THEREON.—*Paras 1 and 2.*—The area of State Forests was slightly reduced by the disafforestation of certain unsuccessful plantations. That of reserved lands increased by 316¾ square miles.

Paras 3 to 6.—The progress of Settlement Operations was not satisfactory in the Bangalore and Shimoga Districts; it was better in the other Districts, though even there it was capable of improvement.

Paras 7 to 9.—Demarcation work received due attention in the Mysore District; but elsewhere a great deal still remains to be effected. The out-turn of survey operations was also poor. Most of the State Forests existing prior to the introduction of the Forest Regulation of 1900 having not been subjected to any regular settlement and the need for a determination of the rights for the use of ways and water therein having been represented, Government attach very great importance to this work and trust that it will make speedy progress.

Paras 10 and 11.—In their review of the previous year's Report, Government emphasised the importance of working plans and annual plans of operations. It is learnt with regret that the working plans adopted in the previous years were found unsuited and defective. The programme of works referred to in para 11 of the report is useful. In Kamasandra Forest the fellings did not even leave any seed bearers and the result is reported to be a complete denudation of the exploited area. Great care should be taken against such occurrences in future. During the year of the present report, a thorough examination of the more important timber and fuel forests is reported to have been made, and provisional schemes drawn up for their management.

Paras 12 and 13.—Government fully endorse Mr. Muthannah's remarks in regard to the benefits of opening out forests by a system of roads and bridle paths, and also to the usefulness of the proper housing of the Executive and Protective staffs as their residing wherever they choose and away from the scene of their work is doubtless detrimental to Government work.

Paras 14, 15 and 16.—Though the number of forest offences reported increased from 309 to 402, those that formed the subject of prosecutions numbered only 183 as against 254, which shows that the power to compound petty offences was more largely resorted to during the year under report. Government note with approval that the responsibility of sanctioning prosecutions has been attached to District Forest Officers. It is however to be hoped that this procedure will not involve unnecessary delay and loss of evidence. It is reported that in the Hassan District 27 cases of injury to sandal trees were added to the 94 which were pending at the close of the last year and not a single case was disposed of. This is discreditable to the District Administration and it is hoped that the Deputy Commissioner will see that these cases are disposed of promptly.

Paras 17 and 18.—The need for greater personal and active interest in regard to fire conservancy on the part of the District Forest Officers is rightly insisted on by the Officiating Conservator. He states that District Forest Officers habitually neglect this part of their duty, and that many fires are due to careless fire-tracing by ignorant and unsupervised subordinates. District Forest Officers should be warned that neglect of this duty will entail serious consequences, and the Conservator is directed to report cases of default leading to damage to the forests, so that they may be suitably dealt with.

Paras 19 and 20.—The revenue under grazing was nearly Rs. 7,000 over that of the previous year; but as remarked by Mr. Muthannah, there is still room for considerable development. The large decrease of revenue from grazing in the Hassan District while the number of cattle licensed to graze has increased from 5,732 to 7,493, requires explanation. The number of cattle impounded in the Chitaldrug District is much larger than in any other district and the Government note with approval the remedial measures adopted to prevent undue hardship to raiyats on this account.

Paras 22 to 27.—There was little improvement in the results achieved in regard to artificial re-production and the improvement of existing stock. The interest which Taluk Amildars and other Revenue Officers in Mysore have been taking in getting up groves, avenue trees and other profitable plantations is a matter of praiseworthy tradition. Government note with regret that this spirit of co-operation is reported to be decaying and they hope that their assistance will be more largely utilised in the matter of the propagation of sandal and other forest plants. Government are concerned to learn that more sandal trees die from climbers and fires than from all other causes and trust that the Conservator will spare no effort to protect this important source of Forest Revenue from all avoidable dangers. The disease of "spike" which is threatening these trees is another matter to which his serious attention is invited. In this important business the Government trust that the Conservator will receive every support and help from Deputy Commissioners and other Revenue Officers.

Paras 28 to 31.—Government note that steps are being taken to discourage irregular modes of exploiting major forest produce, which are so injurious to the interests of forest trees and their growth.

Paras 32 to 37.—The total quantity of timber brought to the depots was double that in the previous year. The sales were also larger, but the prices obtained were lower. There was also an appreciable increase in the receipts from firewood and charcoal. The revenue from bamboos, however, fell by nearly Rs. 10,000. The recent reduction of the rate of seigniorage will, it is hoped, produce better results in future.

Paras 38 to 48.—The result of the sales of sandalwood was satisfactory, the reduction in the all-round average of price received per ton having been due to a large increase of inferior classes offered for sale.

Para 51.—Free Grants of Forest Produce.—A large quantity of bamboos was issued gratis to persons camping out of towns and villages on account of plague.

Paras 53 to 56.—In spite of the depressed state of the market due chiefly to the prevalence of plague, the financial results of the year were better than those of the previous year by over 1½ lakhs, sandalwood being the chief contributing factor towards this increase.

The expenditure rose by about Rs. 65,000, the bulk of which was due: (1) to the adjustment of expenditure incurred in previous years but held under objection, and (2) to the re-organisation of the Forest establishment. But for the large increase of over two lakhs in the receipts from sandalwood, the revenue of this Department shows a falling off, and considering that the cost of establishment and other charges increased in spite of the savings effected by the transfer of Mr. Pigot elsewhere and the discontinuance of the appointment held by Mr. Muthannah, the financial result cannot be deemed very favorable. Large stocks of timber and minor forest produce are stated to have remained unsold and this partially accounts for the large increase of nearly Rs. 38,000 in the charges under Conservancy and works.

Sandalwood in Mysore produces a large income and as it is derived chiefly from natural production the true features of the Forest Administration from a financial aspect can only be judged by considering the revenue and charges after the figures relating to sandalwood are deducted. Thus shown the receipts amount to Rs. 4,17,000 and the expenditure to about Rs. 3,35,000, leaving a net balance in favor of the Department of about Rs. 82,000 in round numbers. The ratio of charges to receipts thus shown comes to about 80 per cent.

General.—Several important rules and orders were passed as summarised in para 58 of the report. The administration of the Department during the year continued to be satisfactory. Mr. Pigot's administration of the Mysore Forest Department was characterized by great energy and earnestness and he has earned the thanks of the Mysore Government for the efficient manner in which he carried on the duties of the Conservator of Forests and Secretary to Government in the Forest Department. Mr. Muthannah has shown intelligent insight into the working of this important Department and brought his large experience, industry and efficient supervision to bear on the Department. The touring of District Forest Officers seems to require more attention on the part of the Conservator. The figures given in the table in para 60 imply a want of activity on the part of several Officers. But the Conservator can best appreciate the value of such figures; and it is his business to take due notice of "long and unnecessary halts" and the like. More details should be given of the conduct and work of the establishment. A tabular statement showing the number of subordinates of each class punished and the principal heads of offence and of punishments awarded would be a useful addition. Details should also be given in next year's report of the action taken towards improving both office and field work.

MILITARY

Proceedings of the Government of His Highness the Maharaja of Mysore.

No. 2738-9—145, DATED BANGALORE, 28TH MAY 1903.

ORDER.—In Proceedings of Government No. 1531-32—112, dated 13th April 1899, No. 1912-13—143, dated 15th June 1899, and No. 1230-31—94, dated 4th January 1900, Government passed certain orders regarding the Military Establishment.

The re-organization of the Imperial Service Lancers on the Jhoorawallah system has rendered necessary the following modifications in pay and establishment:—

I.

The establishment of the Imperial Service Lancers is as follows:—

Orders regarding Officers' pay.

1. The allowances for Adjutant, Quarter Master and Riding Master will be drawn by the Jamadars holding the appointment

Officers will, in future, be promoted regimently as vacancies occur, according to fitness, and will no longer receive increase of grade pay by mere length of service in any grade.

Officers proceeding on leave of absence (other than ten days' casual leave) will forfeit the allowance (if any) of their regimental appointment, and merely draw the grade pay of their rank.

When the allowances of a regimental appointment become thus available they will be drawn by the officer who officiates in the vacant appointment.

An officer is not permitted to draw the allowances of two regimental appointments.

When therefore an officer officiates in an appointment with higher allowances than his own, he must relinquish the allowances of his permanent appointment to the junior appointed to act in his place.

Absence on leave of a Regimentdar or Risaldar, or a Jamadar who is either Adjutant, Quarter Master or Riding Master, will thus invariably give a temporary increase of pay to a certain number of Junior Officers, the number so benefited will depend on the regimental position of the absentee.

Orders re *Mule Allowance.*

When an Officer, Non-Commissioned Officer or Sowar proceeds on leave the allowance for a mule will be taken (under regimental arrangements) to pay for up-keep of mule and attendant. Half the balance saved will be credited to each Jhoorawallah.

The stoppage for Mule Chanda will be Rs. 1-8-0 per mensem per mule. See Chanda Rules.

The allowance for feed will cease on death of a mule until its replacement from the Mule Chanda.

The syce's pay at Rs. 5 per mensem will be continued till the end of the month in which the death occurs.

The saddle, jhools, head a stall, line gear, of the mule will be supplied by the Sowars, out of the allowance under regimental arrangements.

The first issue of the equipment being supplied free by Government with the mule.

When the Regiment proceeds on service the pay of the mule syces and the rationing of the mules will be taken over by Government and the mule allowance will cease.

GOOD CONDUCT PAY.

2. In addition to the rates of pay set forth above, Government are pleased to sanction good conduct pay for Non-Commissioned Officers and Sowars on the following terms:—

To Non-Commissioned Officers above the grade of Lance Dafadars—

After	2 years' good service in the grade	...	Re. 1	per mensem.
Do	4 do	...	Rs. 2	do
Do	6 do	...	„ 3	do
Do	10 do	...	„ 4	do

To Lance Dafadars and Sowars —

After	3 years' good service	...	Re. 1	per mensem.
Do	6 do	...	Rs. 2	do
Do	10 do	...	„ 3	do

The following conditions and rules regulate the receipt, forfeiture and restoration of good conduct pay:—

Receipt of Good Conduct Pay :—

(*a*) A necessary condition of the receipt of any rate of good conduct pay is that the Sowar has not, within two years preceding the completion of his qualifying service, been convicted of any offence by a Court Martial, or been twice entered in the Regimental Defaulters' Book as having been awarded any of the following punishments :—

(i) Any award of imprisonment ;

(ii) Confinement to Lines of 15 days or more.

Service under 16 years of age and service until the full donation on account of Chanda has been paid up, does not count towards good conduct pay.

(*b*) A Sowar shall not be advanced to a higher rate of good conduct pay unless he shall have been in the uninterrupted receipt of the next lower rate for two years immediately preceding his claim. But a re-enlisted Sowar, allowed to count his previous service, will at once be allowed the rate of good conduct pay to which his total service may entitle him.

Forfeiture of Good Conduct Pay—

(*a*) On conviction of any disgraceful conduct, a Court Martial may, in addition to any other punishment which it is empowered to award, sentence the offender to forfeit all advantages as to good conduct pay which might otherwise have accrued from the length or nature of his former service, or to forfeit all such advantages absolutely, whether past or future.

(*b*) Good conduct pay shall not necessarily be forfeited on the infliction of a minor punishment, but forfeiture thereof may be awarded as substantive punishment either by order of the Commanding Officer or by sentence of Court Martial as the case may be.

(*c*) Forfeiture of good conduct pay may be awarded in addition to any other minor punishment.

(*d*) Whenever a person in receipt of good conduct pay is convicted by a Court Martial, his good conduct pay shall cease.

(*e*) Forfeiture of good conduct pay when awarded by a Commanding Officer is restricted to one rate of such pay only for each offence recorded in the Regimental Defaulters' Book.

Restoration of Good Conduct Pay to a Non-Commissioned Officer—

A Non-Commissioned Officer reduced to the ranks, but not sentenced forfeiture of advantage accruing from former service, will receive the rates of good conduct pay of such service in addition to his pay as Sowar subject only to reduction of one rupee a month for one year from the date of the offence for which he may have been reduced, or of the execution or the termination of the sentence passed upon him for such offence.

Restoration of Good Conduct Pay to other ranks—

(*a*) A Sowar who has forfeited his good conduct pay either by award of a Court Martial or as a consequence of conviction by a Court Martial or by order of his Commanding Officer, must serve for one year without an entry in the Regimental Defaulters' Book before he will be eligible for restoration to each rate he may have forfeited.

(*b*) A Sowar who, within twelve months of any previous forfeiture, is again convicted of an offence requiring entry in the Regimental Defaulters' Book, must serve for two years from date of original forfeiture, without another entry before he can claim restoration of the reward.

(*c*) The period of one or two years approved good conduct shall count, in the case of a Commanding Officer's award, from date of such award, if it shall not have been accompanied by imprisonment, and otherwise from date of release ; and in the case of forfeiture having been awarded by Court Martial, or been consequent on a

conviction, from date of sentence when corporal punishment or imprisonment is remitted, and otherwise from date of execution or the termination of the sentence.

STATEMENT OF CONDITIONS OF ENHANCED PAY.

3. As regards kit, it must be clearly understood as a condition of the present enhanced rates of pay, that the entire cost of equipment, line gear, saddlery, etc., will be borne by the men, with the exception of the following kit, *viz* :—

	N. C. Officers Approximate cost.			Lance Dafadars and Sowars Approximate cost.

* Note.—These articles are the property of Government and must be returned to store when their period of use has expired

which, in accordance with the Government Order of 11th May 1892, will be issued free as heretofore.

4. All Line gear and Equipment must be of one pattern, and obtained from the Military Stores.

5. The maximum stoppage in any one month on account of Equipment is limited to Rs. 4-9-9 for a Sowar, Rs. 6 for other Non-Commissioned Ranks, and to half pay for Officers.

SOWAR FOOD COMPENSATION.

6. Compensation for dearness of grain will be granted to Non-Commissioned Officers and Sowars, when the selling rate of ragi falls below 18 seers per rupee, and when that of gram (kulthi) falls below 16 seers per rupee.

7. This compensation will be calculated on 1 seer of ragi per diem per man and 4 seers kulthi per diem per horse and on the average selling rates of these grains during the month as certified by the Deputy Commissioners of the Districts.

7*a*. The Non-Commissioned Officers and Sowars will not receive compensation on the mule allowance.

HORSE RATIONS.

8. Previous orders regarding the Horse ration, Forage allowance, and Gram compensation are cancelled, and the future Regulations on these subjects are as follows :—

9. The Horse ration will consist of Gram 4 seers* per diem; Grass 40 lbs. green (or equivalent in hay) per diem; Salt 1/16th of a seer per diem. Sufficient hay or straw, etc., for bedding.

* Bangalore measure.

10. To meet the cost of this increased ration, Government sanction a Forage allowance of one rupee per mensem to all Non-Commissioned Ranks.

10*a*. It is noted that Compensation for dearness of grain for mules will not be ordinarily given but will require special sanction of Government.

11. As regards dismounted pay, a stoppage up to Rs. 18* per mensem is authorised from men placed on dismounted pay for neglect of their horse, and a stoppage of Rs. 15* in cases where no blame attaches.

Note.—The rate of stoppage being invariably entered in the Regimental order authorising the stoppage (which in cases of neglect must never be less than Rs. 13).

* This sum includes Rs. 2 Chanda subscription.

12. Special favorable rates of pension for Non-Commissioned Officers and Sowars pensioned between 13th April and 15th November 1899, are sanctioned as in paras 13 to 17 of the Government Order No. 1531-32—112, dated 13th April 1899.

13. The above orders (paras 1 to 12) refer to the Imperial Service Regiment alone.

1. The Officers of both the Imperial and Local Service Regiments will receive pensions as follows:—

With regard to Officers' pensions, Government sanction the period for gratuity being fixed at 5 years' service, and for first pension at 20 years. Pension will be calculated on the pay plus allowance of appointment, during the last three years of tenure of office: the fraction on which calculation for pension is made commencing at 1/3rd and increasing annually up to 32 years' service by 1/72nd, *viz*:—

After 20 years' service 24/72 of average pay of last three years.

Do 21 do 25/72 ditto

Do 22 do 26/72 ditto

&c. &c. &c. &c

Do 32 do 36/72 ditto

After a service of more than five and up to twenty years a gratuity of three months' pay exclusive of Regimental allowances for every complete five years' service, will be granted, any balance being omitted from calculation. Officers dismissed for misconduct are not entitled to either pension or gratuity.

2. The object of these rules is to give pensioned officers adequate means to keep up their position, and the graduated scale has been made to enable Government to dispense with the services of any officer who is an incumbrance at any portion of his career, without any real hardship to the offender.

3. This ruling to apply to all officers pensioned since 1st April 1892, when the Imperial Service Regiment was first formed, and when many officers were retired who might otherwise have completed service for enhanced pension, and to have effect from the 1st February 1899.

Gratuities and Pensions for Non-Commissioned Officers and Men, both Imperial Service and Local Cavalry.

Discharge with Gratuity.

4. Short Service Non-Commissioned Officers and Soldiers, not entitled to invalid pension, who may be discharged as physically unfit for further service, will receive the following gratuities but men who have not completed fifteen years' service and who are invalided in consequence of disorders brought on themselves by indulgence in drugs or from other causes, should receive only three-fourths of the gratuity, unless otherwise recommended on special grounds.

After a service of more than 5 years and up to 20 years a gratuity of three months' pay (including good conduct pay) for every complete five years' service will be given, any balance being omitted from calculation.

12. Special favorable rates of pension for Non-Commissioned Officers and Sowars pensioned between 13th April and 15th November 1899, are sanctioned as in paras 13 to 17 of the Government Order No. 1531-32—112, dated 13th April 1899.

PENSIONS.

5. Pensions will be granted on the scale noted below and in accordance with the following orders :—

Invalid Pension.—After 20 years' service will be given to any whose incapacity for further duty is established by medical certificate Form No. 6.

Ordinary Pension.—After 20 years' service may be given to an applicant whose resignation is accepted by the Chief Commandant.

Superior Pension.—After 32 years' service, will only be given to men of unblemished character specially recommended for this pension by the Chief Commandant.

6. A soldier of good character (irrespective of rank) who is discharged for an incurable disease, as permanently incapable of earning a livelihood, may be granted a pension of Rs. 3 a month, at the pleasure of Government, if he has nearly completed the prescribed term of service for pension, and is specially recommended for it by the Officer Commanding the State Troops.

Wound pensions will be calculated in accordance with the scale for the British Native Army, approved of by the Government of Mysore, in Proceedings No. 1886-7—22, Financial, dated 26th June 1884. (Copy of scale attached).

7. Writers, Assistant Writers, and Sarpeshkars, and Peshkars, Veterinarians and Assistant Veterinarians, Assistant Surgeon and Hospital Assistant will be granted the superior rates of pension in accordance with the rules for civil pension laid down in the Mysore Service Regulations. All other followers (except conservancy *cart-drivers) will draw the inferior rates of pension laid down in the same Regulations.

* These are hired with bullocks.

8. Non-Commissioned Officers must have served three years in the grade and rank in which retired to entitle them to the pension of such grade and rank ; when their service in this respect is incomplete, they will only receive the pension of the next lower grade or rank.

9. A Commissioned and Non-Commissioned Officer or Sowar of the Imperial Service Regiment attaining the age of 52, will be liable to be retired by the order of the Chief Commandant, subject in the case of Commissioned Officers to the confirmation of Government.

CHANDA FUND.

1. The Auditor having reported the Fund is unable in its present condition to serve the objects of its formation, Government will administer the Fund until further orders. To assist the Fund Government will give this account an annual grant-in-aid of Rs. 13,000 towards the purchase of remounts.

2. To prevent undue expenditure and keep a check on the Fund, Government directs that all future payments should be made on bills audited by the Comptroller and not as heretofore on cheques drawn on the Fund.

3. The Comptroller will thus be able to satisfy himself regarding the admissibility of every charge made against the Fund, and to refer all doubtful points for orders of Government.

4. The accounts of the Fund will be audited yearly by the Comptroller, who will submit to Government an annual report regarding the Fund, with special information on the following points:—

a. Whether the proper deductions have been made from all ranks.

b. Whether dismounted pay has been credited.

c. Noting whether the proper complement of horses to Sillahdars is maintained and that no horses are retained amanuth when they could possibly be allotted to men.

d. Whether entrance donations have been credited.

e. Whether any unauthorised payments have been made.

f. Whether the sums due on death or casting of horses have been credited.

g. The average cost of remounts each year.

h. The age and number of horses in ranks.

5. The Comptroller will issue the necessary subsidiary orders to carry on the above instruction regarding the Fund, its account, and annual audits.

Appended is a copy of the Chanda Fund Rules for information :—

CHANDA RULES.

1. The donation to the Chanda Fund for all ranks is fixed at Rs. 250.

2. Every officer and soldier will pay two rupees per mensem to the Chanda (remount insurance) Fund, for every assami of which he is the owner.

3. Every sillahdar recruit on being entertained will bring not less than Rs. 100 and deposit that sum in the Chanda Fund, when he will be provided with a horse, the balance *viz.*, Rs. 150, being recovered from his pay at the rate of Rs. 7 per mensem.

4. Recruits who are unable to bring Rs. 100 on enlistment will be entertained as State barghirs on Rs. 10 per mensem, the balance of their pay, after deducting the cost for the feed and keep of the horse, being credited to the Chanda Fund till the donation of Rs. 250 is paid up in full, when they will draw their full pay.

5. On the death of a horse, or on its being found unfit for service owing to ill-treatment or neglect, another horse will be provided from the Chanda Fund, the officer, non-commissioned officer or sowar paying an additional subscription of one month's pay.

6. If a sowar or officer dies, is dismissed the service, or resigns the service under the sanction of Government, his nearest of kin, or he himself, is entitled to his original donation of Rs. 250—his horse remains the property of Government.

7. A man forfeits all claim to the whole or portion of his donation to the Chanda Fund, under the following circumstances, *viz* :—

1st, Mutiny.
2nd, On discharge for disgraceful conduct.
3rd, Wilful neglect or ill-usage of his horse.

8. For mutiny he will forfeit the whole Chanda.

9. For disgraceful conduct, the whole or half or such portion as shall appear necessary in accordance with the crime.

10. For wilful neglect or ill-usage of his horse, according to the nature of the injury.

11. If a man neglects or ill-uses his horse, or it is found that his horse has fallen out of condition through neglect, Rs. 18 will be stopped from his pay and the horse will be fed under Regimental arrangements. * (The above sum will include the Chanda subscription.)

12. Rupees 15 will be stopped from the pay of men dismounted owing to paucity of horses; this amount will include his monthly deduction of Rs. 2 towards Chanda.

13. All horses are the property of Government.

14. On the death of a horse a report is to be at once forwarded to the Chief Commandant, with a report from the officer commanding that he has enquired into the circumstances, noting to whom blame, if any, attaches.

15. On the death of an officer, non-commissioned officer or sowar, should there be no one to whom the horse can be allotted, the officer commanding will make arrangements for the feed of the horse; such expenses will be borne by the Chanda Fund.

16. Should a vacancy exist (in case of officers of similar rank) the horse will be given to the earliest vacancy on the list and a report submitted.

17. A sowar proceeding on leave will hand over his horse to the Regiment and his account will be debited with the cost of keep of his horse at not more than Rs. 16 per mensem including Chanda subscription.

* The above sum will include the Chanda subscription.

18. If a horse dies during the absence of a sowar on leave, etc., the Officer Commanding will make a full report to enable the Chief Commandant to determine who should pay the usual fine of one month's pay.

Chanda Rules for Mule Replacement.

19. Every officer and soldier will pay 12 annas per mensem to the Mule Chanda Fund for every mule of which he is the half owner.

20. On the death of a mule or on its being found unfit for service another mule will be provided from the Mule Chanda Fund. But the mule allowance will cease on its death and until it is replaced.

21. Mules having been given free in the first instance owners of an assami are not entitled to any refund on death or pension or dismissal.

22. For wilful neglect or ill-usage of his mule, the owner may be fined a portion or the whole of the allowance, according to the nature of the injury, for any period up to 6 months, by order of the Chief Commandant.

23. On the death of a mule a report is to be at once forwarded to the Chief Commandant, with a report from the officer commanding that he has enquired into the circumstances, noting to whom blame, if any, attaches.

24. On the death of an officer, non-commissioned officer or sowar, should there be no one to whom the mule can be allotted, the Officer Commanding will make arrangements for the feed of the mule, such expenses will be borne by the Mule Chanda Fund.

25. All claims on the part of subscribers to these funds shall be adjudicated solely by the Chief Commandant, his order in such cases being subject to appeal to Government, if the claimants are dissatisfied therewith and desire to make such appeal. Claims against the fund shall not be referable to any Civil Court.

26. The above rules may be altered or modified hereafter as may appear necessary.

MUZRAI

Proceedings of the Government of His Highness the Maharaja of Mysore,

READ—

Petition No 345, dated 19th August 1898, from Mr. K. Shamiengar, executor to the estate of the late Inamdar S. Venkatranga Iyengar, stating that the services in the Sri Rama Devaru temple at Sarvamanyam village of Kudlur in the Channapatna Taluk, are being much neglected owing to the indifference of the vrittidars of the village and praying that the temple and its endowments be taken over under the direct management of the Muzrai Department.

AND—

Correspondence ending with the Inam Superintendent's docket No. 37, dated 21st November 1902, forwarding a copy of the Settlement Register relating to the grant of the village as Sarvamanyam.

No. 2379-88—MUZ. F. 25-1902, DATED BANGALORE, 30TH MAY 1903.

ORDER THEREON.—The Kudlur Agrahar in the Channapatna Taluk was granted as Sarvamanyam by His Highness the late Maharaja Krishnaraja Wadiyar Bahadur III, in 1827, to 24 vrittidars. The sannad relating to the grant directs that out of the total income of the village, a sum of 48 C. Pagodas or Rs. 140 should be reserved annually and utilized towards the benefit of the Sri Rama Devaru temple situated in the said Sarvamanyam village, the particular services to be rendered for the said amount being also laid down in the sannad.

2. In the petition read above, Mr. K. Shamiengar, executor to the estate of one of the Agrahar Inamdars (S. Venkatranga Iyengar) brought to the notice of Government that the services in the temple were being much neglected, owing to the indifference of the vrittidars of the village, and prayed therefore that the temple and its endowments be taken over under the direct management of the Muzrai Department.

3. From the local enquiry it is observed that the temple is endowed with a cash Tasdik of Rs. 11-10-0 a year, in addition to the cash allowance of Rs. 140, payable from the income of the Sarvamanyam village, as directed in the sannad referred to above. It is also ascertained that this Institution is endowed with the marginally noted minor Inam lands in the same village yielding an annual income of Rs. 52-6-10. Thus, the annual total income of the temple from all the sources noted above is Rs. 204-0-10.

4. Twenty out of the 24 vrittidars of the village have signified their consent to the management of the temple and its endowments being taken over by the Muzrai Department, as proposed by Mr. K. Shamiengar in his petition read above. It is reported that the views of the other four vrittidars could not be ascertained as they are living in Madras and other places and as the notices served on them have not yet been returned. The Deputy Commissioner supports the prayer of the 20 vrittidars and recommends that the management of the Institution and its endowments be taken over under the direct management of the Muzrai Department and that arrangements be made to levy the annual sum of Rs. 140 assigned to the temple from the income of the Inam villages, through the local authorities, in the same manner as Local Fund and Irrigation cesses are collected.

5. The Deputy Commissioner's recommendation is approved, and he is requested to issue needful instructions in the matter, to the Amildar of the Channapatna Taluk.

6. Detailed proposals as regards the scale of expenditure in the Institution should be submitted in due course, for the approval of Government.

7. From the reports of the local officers, submitted with the Deputy Commissioner's letter under disposal, it is understood that this temple is not at present under the management of the Muzrai Department, the reason being probably either that it is situated in an Inam village, or that it is endowed with a small cash Tasdik and some Inam lands. In this connection, Government wish to draw the attention of the Deputy Commissioner to Government Proceedings No. 223-30—Muz. F. 11-96, dated 6th August 1896, laying down that temples endowed with cash or land Inam, wherever situated, are all subject to the control of the Muzrai Department.

The Deputy Commissioners of other Districts.
The Palace Controller, Mysore, for information

No. 2389-97, DATED BANGALORE, 30TH MAY 1903.

ORDER.—Instances have come to the notice of the Government in which the Deputy Commissioner of a District undertook, on his own authority, the repair of certain temples at a cost of some thousands of rupees and subsequently requested the sanction of the Government to the cost being met from the annual State Grant of Rs. 15,000 made by the Government for the repair of Muzrai Institutions. Such expenditure, incurred without obtaining the requisite previous sanction, causes great inconvenience. The State Grant is limited in amount and has to be allotted, at the discretion of the Government, to such institutions in the State as are most urgently in need of repair, and to such extent as the Government may deem proper, and the anticipation of Government sanction by any one Deputy Commissioner and the incurring of any large expenditure on any one temple or other Muzrai Institution are calculated to interfere with the discretion of the Government in regulating the distribution of the State Grant to really urgent cases.

2. The Deputy Commissioners of Districts are therefore requested to refrain from undertaking any works from the State Grant without obtaining the previous sanction of Government. Recommendations for repairs should be made on as economical a scale as possible, and should be confined to works actually required for preserving the stability of old and time-honoured institutions and for introducing light and air into the buildings, and should not include works of mere ornament.

The following letter No. 4605—762, dated 6th May 1903, from the Deputy Commissioner, Kolar District :—

I have the honor to state that one Nanjakka, a widow of Vaisya caste, has built a temple of Venkatramanaswami in the village of Yellampalli in the Bagepalli Taluk. She managed it herself for some years. In 1893 she fell dangerously ill, and fearing that her end was approaching, she executed a will on 29th July 1893, bequeathing to the temple her property to the value of Rs. 1,119 as noted in the margin and appointed five persons as trustees to manage the property on behalf of the temple. But as she luckily got over her illness, the provisions of the will did not come into operation and she therefore continued to manage the temple herself.

Rs.	
785	in lands
144	mortgage deeds.
150	jewels of her.
40	vessels.

2. In July 1900 seeing that she was about 90 years old and not likely to live much longer, she executed a deed of gift (dated 31st July 1900) making over to the temple all her properties to the value of Rs. 750 (Rs. 500 deposited in Savings Bank, 4 pieces of land valued at about Rs. 248, which had been mortgaged to her, and certain vessels worth about Rs. 2) and got the document registered on the same day. She died within a few months, on 6th November 1900, leaving no issues and no heirs having any claim on her property.

3. After her death some of her distant relatives having tried to interfere with her properties, the matter came to the notice of the Sub-Division Officer of Chikballapur, and he directed the Amildar to enquire into the matter and to submit a detailed report. The Amildar thereupon took steps to prevent the misappropriations of the properties granted to the temple by the donor. He has reported that besides the sum of Rs. 500 which had been invested in the Savings Bank by the deceased Nanjakka, a further sum of Rs. 241 has since been recovered from some of her debtors and added on to the Savings Bank account. It is also reported that in addition to the above sum of Rs. 741, some of the lands which are referred to in the deed of gift as having been mortgaged to Nanjakka, have not yet been redeemed and are therefore in the possession and enjoyment of the archak according to the terms of the document. The Amildar has also submitted a list of vessels etc., belonging to the temple and in the possession of the archak.

4. The will executed in 1893 having been superseded by the deed of gift executed in 1900, must be considered to have been cancelled by the deceased Nanjakka. In the deed of gift it is stated that the chief villagers and dharmakarthas should nominate a competent archak, that the interest on the Savings Bank deposit should be paid to the archak, and that the archak should also enjoy the mortgage lands till their redemption, and that when such lands are redeemed by the owners, the amount recovered from them should be added on to the Savings Bank. Though no trustees are named in the document, it would appear from the wording of it that it was the intention of the woman that the persons named by her in her will of 1893 should be the trustees of the temple and supervise its management.

5. With a view to prevent mismanagement and to secure the permanent continuance of the charity without interference or obstructions by private individuals, the Amildar recommends that the temple may be taken over under Government management. The archak and the villagers are in favor of the proposal of the five trustees named in the will of 1893. One shanbhog Papanna is dead and the other four have expressed their willingness to have the management of the institution taken over by Government.

6. In these circumstances I beg to recommend that the temple may be taken over under Government management, and that the following proposals which are in accordance with the deed of gift executed by the donor, may be sanctioned.

(i) The interest on the amount deposited in the Savings Bank, to be given over annually to the archak;

(ii) The archak to continue in enjoyment of the mortgage lands still remaining unredeemed till such time as they are redeemed, when the amount recovered for them should be added on to the Savings Bank deposit;

(iii) The vessels, etc., to be in the possession of the archak, he being held responsible for their safe custody and preservation.

No. 2424, DATED BANGALORE, 30TH MAY 1903.

ORDER THEREON.—The proposals contained in the Deputy Commissioner's letter read above, for taking over under the management of Government in the Muzrai Department, the temple of Sri Venkatramanaswami at Yellampalli in the Bagepalli Taluk, together with the properties endowed in its favor by one Nanjakka, are suitable and are accordingly sanctioned.

2. The sum of Rs. 741 referred to in the letter appears to have been invested in the Savings Bank in the name of the donor Nanjakka. The account should be transferred to the name of the "Amildar for the time being" and the principal should not be operated upon under any circumstances. The interest accruing therefrom may, however, be paid to the archak of the temple for conducting the stipulated services therein. The archak may be allowed to continue in the enjoyment of the mortgage lands also until they are redeemed. After redemption the amount should be added on to the Savings Bank deposit, the interest on the accumulated sum being given to the archak. An inventory of the vessels, etc., given over to the temple,

should be prepared and kept in the Taluk records, duly signed by the archak, who should be asked to execute a mutchalika binding himself to be responsible for their safe custody.

3. Of the five persons appointed trustees in the will executed by the deceased Nanjakka, one shanbhog Papanna is reported to have died. The other four persons noted in the margin will be appointed Dharmadarsis by a separate Notification to supervise the affairs of the institution.

READ AGAIN:—

The late Muzrai Superintendent's letter No. 84, dated 22nd July 1893, to the Deputy Commissioner, Mysore District, observing that the monthly cash grant of Rs. 331-7-8 payable to the Sri Vyasarayaswami Matt from the T. Narsipur Taluk, being a Devadaya grant, was not liable to attachment by the Civil Court, in satisfaction of a decree obtained by one of the creditors of the Matt, and that therefore the payment of the amount to the Matt should be withheld pending orders of Government.

Government Proceedings No. 190-1—Muz. F. 57-92, dated 27th August 1894, directing that, as the object of the monthly grant of Rs. 331-7-8 had been grossly neglected, the payment of the said grant should continue to be withheld and that puja to the Brindavanams and Santarpane at the Matt, should be carried out by the Muzrai Department.

Governmnet Proceedings No. 789—Muz. F. 57-92, dated 31st January 1896, observing, with reference to a telegram from the Swamigalavaru, that, as the allowance in question was under attachment owing to the Matt's neglect of the object of the grant, the attachment could not be with drawn without proper guarantee from the Matt for the proper fulfilment of such object.

Letter No. 84, dated 10th November 1902, from the Deputy Commissioner, Mysore District, reporting on the present situation of the Matt affairs.

Government Proceedings Camp Nos. A. & B., dated 12th April 1903, sanctioning, with reference to several petitions from the Swamigalavaru and his Agent, the disbursement, as a temporary measure, of a monthly allowance of Rs. 200, out of the cash grant of Rs. 331-7-8 per mensem, and observing that the payment of the allowance should be on the distinct understanding that the Swamigalavaru would give a correct and complete list of the jewels and other property belonging to the Matt and bind himself to account for all such property.

AND—

Kanarese letter Registered No. 1760, dated 4th day of Chaitra Bahula of the year Sobhakrutu (14th April 1903) from the Swamigalavaru to the address of the Dewan, requesting that, as the Matt is involved in debts, the Government may be pleased to take over the management of the land endowments of the institution situated in the State, and forwarding a statement showing such endowments.

No. 2413-23—Muz. F. 57-1902, dated Bangalore, 30th May 1903.

Order thereon.—From the letters of the Deputy Commissioner and the Swamigalavaru, it is observed that the affairs of the Matt are in great disorder and heavy debts have been incurred on the security of the Inam lands endowed to the Institution. On account of the involved condition of the Matt, the Swamigalavaru has requested Government to take possession of all the land endowments of the Institution situated in the Mysore Territories, in view to their being managed through Government agency. In these circumstances, the Government are pleased to comply with the request made by the Swamigalavaru, and they accordingly direct that the management of all the lands and villages belonging to the Matt, situated in the Mysore Territories, as per statement hereto annexed, be taken possession of immediately by the Deputy Commissioners of the respective Districts, who will issue needful instructions to the Amildars concerned to give due publicity to the raiyats or others, who are in actual possession thereof, that the management of the endowments in question will, from the 1st July 1903, vest in Government and not with the Matt authorities.

2. The collections on the lands and villages shall be regularly made by the Amildars under the orders of the Deputy Commissioner of the District in which they are situated, as in the case of the Government villages, the same being remitted to the Bangalore District Treasury, for investment in the Government Savings Bank in the name of the Deputy Secretary to Government in charge of the Muzrai Department The D. C. B. and other statements shall also be submitted to the Muzrai Department of Government. The Comptroller to Government will also issue needful

instructions in the matter to the Taluk and the District Treasuries concerned, arrangements being at the same time made in communication with the Deputy Secretary, Muzrai Department, to place the hitherto accumulated savings of the Matt funds in the Government Savings Bank in the name of the Deputy Secretary.

3. From the statements received from the Deputy Commissioner of the Mysore District as well as from the Swamigalavaru, it is observed that the Inam lands and villages endowed to the institution are situated throughout the Province except the Kadur District, and that almost all of them except Dommanakuppe in the Tumkur Taluk, and Yelavanka in the Belur Taluk, have been given away on long leases and that the rents in some cases have been taken in advance by the Swamigalavaru. Such long leases are practically temporary alienations and cannot be accepted as a matter of course by Government, under the terms of Government Notification No. 266, dated 17th November 1877. But before declaring them to be invalid, Government deem it desirable to enquire into each case and then make arrangements to determine the future terms of the lease or to cancel it. The Deputy Commissioners concerned are therefore requested to call upon the lessees to produce documentary evidence if any, within one month from the date of receipt of this order, showing how and when they came into possession of the Matt lands or villages and on what terms they have been enjoying them. On receipt of the necessary information from them, a full and clear report should be submitted on each case, together with the Deputy Commissioner's opinion as to the continuance or otherwise of the lease.

4. As regards Dommanakuppe in the Tumkur Taluk and Yelavanka in the Belur Taluk, which are both *Devadaya* Inam villages attached to the Matt, it appears that one Ranga Sreenivasachar, son of Hundi Krishnamachar, has been enjoying them in consideration of the debt said to be due to him by the Swamigalavaru. This is clearly an unauthorized alienation diverting the lands from the purpose for which they were granted, and the same is hereby cancelled under the terms of Government Notification No. 266, dated 17th November 1877. The Deputy Commissioners of the Tumkur and Hassan Districts are accordingly requested to take immediate steps to resume the villages from the possession of the alience and place the management thereof in the hands of the Amildars of Tumkur and Belur respectively.

5. With reference to Government Order No. 689, dated 9th October 1902, directing that the Muzrai Assistant Commissioner of the Mysore District, be deputed to proceed to Sosale and get an inventory made of the jewels etc., belonging to the Matt, the Assistant Commissioner Mr. C. B. Seshagiri Rao (now Sub-Judge of Hassan) who was deputed for the purpose, reports that he did not do so, because he felt himself incompetent to value the jewels in question and that he did not handle the jewels as it seemed irreverent, if not sacrilegious. The Government are surprised and disappointed to hear of such an utter misconception of the duty expected of Mr. Seshagiri Rao. The Deputy Commissioner is therefore requested to again depute a competent Assistant Commissioner to proceed to Sosale with one or two professional men (who may be paid some small allowance from the Matt funds, if necessary) and have a correct inventory prepared and forward the same to Government with the signature of the Swamigalavaru.

6. As regards the repairs to the Matt building at Sosale, the Deputy Secretary to Government, who lately inspected the Matt on the 14th April 1903, reports that the front thotti is in a dilapidated condition and requires immediate attention. An estimate to renovate the building in question should at once be submitted for sanction.

RAILWAY

Proceedings of the Government of His Highness the Maharaja of Mysore.

READ—

The following Note No. 166, dated 19th March 1903, from the Secretary to the Government of Mysore for Railways, submitting for sanction Railway budget estimates for the official year 1903-04, aggregating Rs. 9,13,000 :—

"I beg to submit, for sanction of Government, Railway budget estimates aggregating Rs. 9,13,000, for the official year 1903-04, with the following brief remarks :—

I. OPEN LINE.

1. Mysore-Harihar Line.—The sum of Rs. 1,23,000 provided under this head represents the amount required for capital expenditure on the line. This is in addition to the unspent balance of capital, *viz.* Rs. 2,29,000, remaining with the Southern Mahratta Railway Company. A copy of the budget estimates received from them is herewith attached with remarks. The last page contains a list of works which are proposed to be undertaken during the next official year. It should be noted here that against the sum of Rs. 1,15,000 provided in this year's budget (1902-03) to meet the deficit on capital outlay, no money has been spent in accordance with the expressed desire of the Government of Mysore that no expenditure that was not absolutely necessary should be incurred, in fact that provision may be considered as resigned.

2. Bangalore-Hindupur Line. 3. Nanjangud Extension.—The provision of Rs. 4,000 made under the above heads is on account of unforeseen expenditure. Although the working agency have not asked for it, yet it is thought advisable to provide it to meet future contingencies.

4. Birur-Shimoga Railway.—A sum of Rs. 12,177 is provided in the budget to meet capital expenditure during the next official year. The Southern Mahratta Railway Company proposed undertaking these works during the current official year, but did not do so, it is presumed, for similar reasons to those given under Mysore-Harihar line.

5. Kolar Gold Fields Railway.—The provision of Rs. 12,200 is on account of capital works to be undertaken during the year 1903-04.

II. SALOON CARRIAGES.

Under this head a sum of Rs. 34,000 is provided to meet the cost of the marginally noted items of works.

(i). Rs. 17,000 is on account of the construction of a new saloon carriage for the use of the Railway Secretary.
(ii). Rs. 15,000 is on account of certain improvements to be carried out to State Saloons A, B and C as also providing them with electric lighting.
(iii). Rs. 2,000 is on account of the rent payable to the Company by the Durbar for the shed and siding accommodation provided at the Bangalore City Station for the State Saloon Carriages.

As regards item No. (i), it should be noted here that the same provision was made in the budgets for the last year and this year, but was disallowed by Government owing to financial pressure. It is nothing but reasonable that the Secretary for Railways should have a separate carriage for his use, as is done in all other States. Besides which, this saloon will be of great use in times of urgency, when another saloon carriage is not available. (Previous papers are put up.)

Item (ii). The sum of Rs. 15,000 budgetted for this work should be considered as provisional and subject to alteration after receipt of intimation from the Southern Mahratta Railway Company of the actual cost of the work.

III. DIRECTION AND ACCOUNTS.

(1) The charges under this head cover the increases recently sanctioned by you to the office staff in your Orders No. 094 dated the 16th February last.

(2) Statements showing the works in detail received from the Southern Mahratta Railway and Madras Railway Companies, are also put up."

No. 7—1902-03—Rr. F. 29, DATED 26TH MAY 1903.

ORDER THEREON.—The above budget estimates which provide for an income of Rs. 5,15,000 and an expenditure of Rs. 9,05,100, which latter is made up of Rs. 1,85,100 for capital works and the balance on account of the estimated guaranteed interest payable to the Southern Mahratta Railway Company, are sanctioned with the observation that as works of absolute necessity are only to be undertaken, the provision of Rs. 7,900 made for an "Inspection carriage for the Superintendent of Police, Mysore," is struck out. This item requires further investigation.

2. A copy of the budget estimates is attached.

Letter No. 528, dated 24th—28th April 1903, from the Deputy Commissioner, Hassan District, requesting instructions regarding the refund of the minimum guaranteed Royalty deposited by one Nabi Sahib, who obtained a license for collecting corundum in the Kasba Hobli of the Hole-Narsipur Taluk, during the calendar year 1903, but now wishes to relinquish it on the ground that good corundum is not available in the tract taken up by him.

No. 551-8-S, DATED BANGALORE, 2ND MAY 1903.

ORDER THEREON.—The licensee applies for a refund of the license fee and the guaranteed royalty amount deposited by him on the report of "his coolies and others" that good corundum is not available in the area licensed. The Amildar reports that no work whatever was done on the tract since the grant of the license.

2. Rules 7 and 8 of the Rules for the grant of licenses for collecting, corundum, published in Government Proceedings (Geological) No. 530-8—M. F. 88, dated 29th June 1901, are quite clear. The licensee has guaranteed a minimum royalty equal to the amount of the deposit, and as no royalty has been paid by him, the deposit cannot be returned. The license fee is reported to have been credited to Government. The minimum guaranteed Royalty amount may also be credited to Government at once, if the licensee relinquishes the license.
